HOLDERS (AS DEFINED BELOW) MUST VALIDLY TENDER (AND NOT VALIDLY WITHDRAW) THEIR NOTES (AS DEFINED BELOW) AND VALIDLY DELIVER THEIR CONSENTS (AS DEFINED BELOW) ON OR PRIOR TO 5:00 P.M., NEW YORK CITY TIME, ON SEPTEMBER 20, 2024, UNLESS EXTENDED OR EARLIER TERMINATED (SUCH DATE AND TIME, AS THE SAME MAY BE EXTENDED, THE “EARLY TENDER DEADLINE”), IN ORDER TO BE ELIGIBLE TO RECEIVE THE TOTAL CONSIDERATION (AS DEFINED BELOW). SUBJECT TO APPLICABLE LAW, WE MAY AMEND, EXTEND OR TERMINATE THE CONSENT SOLICITATION.

Genting New York LLC, a Delaware limited liability company (“GENNY”), and GENNY Capital Inc., a Delaware corporation (“GENNY Capital” and, together with GENNY, “we,” “us” or the “Issuers”), hereby offer to purchase for cash (the “Offer”) from each registered holder (each, a “Holder” and, collectively, the “Holders”), on the terms and subject to the conditions set forth in this Offer to Purchase and Consent Solicitation Statement (as it may be amended or supplemented from time to time and including the information incorporated herein by reference, this “Offer to Purchase and Consent Solicitation Statement”), any and all of their outstanding 3.300% Senior Notes due 2026, CUSIP Nos. 37255J AA0 and U2732P AA0 (the “Notes”). On the date hereof, there were \$525,000,000 aggregate principal amount of the Notes outstanding. In conjunction with the Offer, the Issuers hereby solicit (the

“Consent Solicitation”) from the Holders consents (“Consents”) to the proposed amendments (the “Proposed Amendments”) to the Indenture (as defined below) pursuant to which the Notes were issued, which would allow the Issuers to deposit cash or direct obligations of the United States of America, backed by its full faith and credit (“U.S. Government Securities”) with The Bank of New York Mellon Trust Company, N.A., as trustee for the Notes (the “Trustee”) in order to effect the Satisfaction and Discharge (as defined below) at any time prior to the maturity of the Notes. Upon the terms and subject to the conditions of the Offer and the Consent Solicitation, the Issuers will pay each Holder who validly tenders and does not validly withdraw Notes and validly delivers and does not validly revoke a Consent on or prior to the Early Tender Deadline an Early Tender Payment (as defined below) in respect of Notes that have been validly tendered and not validly withdrawn as of the Early Tender Deadline, with such payment to be made on the Early Settlement Date (as defined below). The Early Tender Payment comprises part of the Total Consideration payable in respect of Notes that are validly tendered and not validly withdrawn on or prior to the Early Tender Deadline. The Early Tender Payment for the Notes will only be made if the Notes are accepted for payment pursuant to the terms and conditions of the Offer. Holders who tender their Notes after the Early Tender Deadline will not receive the Early Tender Payment.

In order for the Proposed Amendments to be adopted, Consents must be received in respect of not less than a majority in aggregate principal amount of the outstanding Notes (the “Requisite Consents”). Assuming receipt of the Requisite Consents, the Issuers expect to execute and deliver to the Trustee a supplemental indenture to the Indenture (the “New Supplemental Indenture”) to be entered into by and between the Issuers and the Trustee promptly following such receipt. The New Supplemental Indenture will become effective upon execution, but the Proposed Amendments will not become operative until the Issuers purchase Notes satisfying the Requisite Consents. See “Proposed Amendments to the Indenture.”

Any Notes validly tendered and Consents validly delivered on or prior to the Early Tender Deadline that are not validly withdrawn or validly revoked prior to the Early Tender Deadline may not be withdrawn or revoked thereafter, except as required by law. In addition, any Notes validly tendered and Consents validly delivered after the Early Tender Deadline may not be withdrawn or revoked, except as required by law.

Holders who validly tender or deliver and do not validly withdraw or revoke their Notes and Consents prior to the Early Tender Deadline or the Expiration Time, as applicable, if such Notes are accepted for payment pursuant to the Offer, will be paid accrued and unpaid interest from the last date on which interest has been paid to, but excluding, the Early Settlement Date or the Final Settlement Date (as defined below), as applicable. Interest will cease to accrue on the Early Settlement Date and the Final Settlement Date, as applicable, for all Notes accepted in the Offer.

Our obligation to accept for purchase, and to pay for, Notes and Consents validly tendered or delivered and not validly withdrawn or revoked pursuant to the Offer is conditioned upon the following having occurred or having been waived by us: (1) the satisfaction of the Financing Condition (as defined below) and (2) the satisfaction of the General Conditions (as defined below). We may, in our sole discretion, waive any of the conditions of the Offer and the Consent Solicitation, in whole or in part, at any time and from time to time. See “Conditions of the Offer and the Consent Solicitation.” If we terminate or withdraw the Offer and the Consent Solicitation, then none of the Total Consideration, the Tender Offer Consideration, the Early Tender Payment nor any accrued and unpaid interest will be paid or become payable to the Holders of the Notes pursuant to the Offer and the Consent Solicitation, and we will promptly return any Notes tendered pursuant to the Offer to the tendering Holders.

The purpose of the Offer and the Consent Solicitation is to acquire all of the outstanding Notes for cancellation and to allow the Issuers to deposit cash or U.S. Government Securities with the Trustee to effect the Satisfaction and Discharge of any Notes that are not purchased in the Offer at any time prior to the maturity of the Notes. See “Purpose and Financing of the Offer and the Consent Solicitation.”

**NONE OF THE ISSUERS, OUR MANAGEMENT, GENNY'S SOLE MEMBER, GENNY CAPITAL'S BOARD OF DIRECTORS, THE TRUSTEE, THE DEPOSITARY AND INFORMATION AGENT (AS DEFINED BELOW), THE DEALER MANAGERS (AS DEFINED BELOW) NOR THE DEPOSITARY TRUST COMPANY MAKES ANY RECOMMENDATION AS TO WHETHER A HOLDER SHOULD OR SHOULD NOT TENDER NOTES AND DELIVER CONSENTS PURSUANT TO THE OFFER AND THE CONSENT SOLICITATION.**

## **IMPORTANT INFORMATION REGARDING THE OFFER AND THE CONSENT SOLICITATION**

This Offer to Purchase and Consent Solicitation Statement contains important information, and you should read it in its entirety before you make any decision with respect to the Offer and the Consent Solicitation.

Tendered Notes may be withdrawn and Consents may be revoked at any time on or prior to the Early Tender Deadline. If the Offer and the Consent Solicitation are terminated or otherwise not completed, no consideration nor any accrued and unpaid interest will be paid or become payable pursuant to the Offer or the Consent Solicitation to the Holders who have tendered their Notes and delivered Consents pursuant to the Offer and the Consent Solicitation, and such Notes shall be returned promptly to such Holders.

The total consideration (“Total Consideration”) payable for the Notes validly tendered at or prior to the Early Tender Date will be a price per \$1,000 principal amount calculated as described herein (and as illustrated in Annex A) in a manner intended to result in a yield to maturity (the “Tender Offer Yield”) equal to the sum of:

- the yield to maturity (the “Reference Yield”) of the applicable U.S. Treasury reference security specified in the table on the cover page of this Offer to Purchase and Consent Solicitation Statement (the “UST Reference Security”) as determined at 10:00 a.m., New York City time, on September 23, 2024 (the “Pricing Date”); and
- the fixed spread shown in the table on the cover page of this Offer to Purchase and Consent Solicitation Statement (the “Fixed Spread”).

See “The Offer and the Consent Solicitation—Total Consideration and Tender Offer Consideration” and Annex A for more information on the calculation of the Total Consideration.

The consideration for the Tender Offer payable for the Notes validly tendered at or prior to the Early Tender Date will be the applicable Total Consideration, which includes the “early tender payment” as set forth in the table on the cover page of this Offer to Purchase and Consent Solicitation Statement (the “Early Tender Payment”).

The consideration for the Tender Offer payable for the Notes validly tendered after the Early Tender Date but at or prior to the Expiration Time will be the applicable Total Consideration minus the Early Tender Payment (the “Tender Offer Consideration”).

Subject to the terms set forth in this Offer to Purchase and Consent Solicitation Statement, and assuming all conditions to the Offer and the Consent Solicitation have been satisfied or waived by us, Holders who validly tender and do not validly withdraw their Notes and validly deliver and do not validly revoke Consents before the Early Tender Deadline will be eligible to receive, upon the terms and subject to the conditions set forth in this Offer to Purchase and Consent Solicitation Statement, the applicable Total Consideration, plus accrued and unpaid interest from the last interest payment date to, but excluding, the Early Settlement Date. Holders who validly tender their Notes and validly deliver Consents after the Early Tender Deadline, but before the Expiration Time, will be eligible to receive, upon the terms and subject to the conditions set forth in this Offer to Purchase and Consent Solicitation Statement, the applicable Tender Offer Consideration plus accrued and unpaid interest from the last interest payment date to, but excluding, the Final Settlement Date.

Our obligation to accept, and to pay for, Notes validly tendered and not validly withdrawn and Consents validly delivered and not validly revoked pursuant to the Offer and the Consent Solicitation is conditioned upon the following having occurred or having been waived by us: (1) the satisfaction of the Financing Condition and (2) the satisfaction of the General Conditions. We may, in our sole discretion, waive any of the conditions of the Offer and the Consent Solicitation, in whole or in part, at any time and from time to time. Subject to applicable law, we may amend, extend or terminate the Offer and the Consent Solicitation. See “Conditions of the Offer and the Consent Solicitation.”

We expressly reserve the right, subject to applicable law, to (1) terminate the Offer and the Consent Solicitation prior to the Early Tender Deadline or the Expiration Time and not accept for payment any Notes or Consents not theretofore accepted for payment pursuant to the Offer and the Consent Solicitation for any reason, (2) waive any and all of the conditions of the Offer and the Consent Solicitation prior to the Early Tender Deadline or the Expiration Time, (3) extend the Early Tender Deadline or the Expiration Time and (4) otherwise amend the terms of the Offer and the Consent Solicitation in any respect. The foregoing rights are in addition to the right to delay acceptance for payment of Notes validly tendered pursuant to the Offer or the payment of Notes accepted for payment pursuant to the Offer and the Consent Solicitation in order to comply with any applicable law, subject to Rule 14e-1(c) under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), which requires that we pay the consideration offered or return the Notes deposited by or on behalf of the Holders thereof promptly after the termination or withdrawal of the Offer, as applicable.

The Notes were issued pursuant to the Indenture, dated as of February 10, 2021, by and among the Issuers and the Trustee (the “Indenture”). We currently intend, in accordance with the terms and conditions of the Indenture, as it may be amended, to effect the Satisfaction and Discharge of any Notes that remain outstanding (i) following the settlement of the purchase of Notes on the Early Settlement Date (if the Requisite Consents are obtained) or (ii) on February 15, 2025 (if the Requisite Consents are not obtained), although we have no legal obligation to do so.

See “Certain Considerations” and “Certain U.S. Federal Income Tax Considerations” for a discussion of certain factors that should be considered in evaluating the Offer and the Consent Solicitation.

#### **IMPORTANT INFORMATION REGARDING TENDER AND CONSENT PROCEDURES**

If you wish to tender Notes and deliver Consents with respect to all or any portion of your Notes, you must tender Notes and deliver Consents through The Depository Trust Company (“DTC”) pursuant to DTC’s Automated Tender Offer Program (“ATOP”) for which the Notes and the Offer and the Consent Solicitation will be eligible. There is no letter of transmittal for the Offer. There are no guaranteed delivery provisions provided for by us in order to tender Notes in the Offer.

If you hold your Notes in “street name,” ask your broker, dealer, commercial bank, trust company or other nominee to tender your Notes, and deliver your Consents, for you.

**If your Notes are registered in the name of a broker, dealer, commercial bank, trust company or other nominee, you must contact that broker, dealer, commercial bank, trust company or other nominee if you desire to tender your Notes and deliver the Consents pursuant to the Offer and the Consent Solicitation.**

**Holders are advised to check with any broker, dealer, commercial bank, trust company or other nominee through which they hold Notes for the deadline by when such nominee would require to receive instructions from a Holder in order for that Holder to be able to participate in, or (in the limited circumstances in which withdrawals are permitted) withdraw their instruction to participate in, the Offer. The deadlines set by any such nominee and DTC for the submission and withdrawal of an Agent’s Message (as defined below) through DTC’s ATOP will be earlier than the relevant deadlines specified in this Offer to Purchase and Consent Solicitation Statement.**

## SUMMARY TERM SHEET

We are providing this summary term sheet for your convenience. It highlights certain material information in this Offer to Purchase and Consent Solicitation Statement, but does not describe all of the details of the Offer and the Consent Solicitation to the same extent described in this Offer to Purchase and Consent Solicitation Statement. The following summary is qualified in its entirety by the more detailed information appearing elsewhere in this Offer to Purchase and Consent Solicitation Statement. You are urged to read this Offer to Purchase and Consent Solicitation Statement in its entirety because it contains the full details of the Offer and the Consent Solicitation.

If you have questions, please call the Depository and Information Agent or the Dealer Managers at their respective telephone numbers set forth on the back of this Offer to Purchase and Consent Solicitation Statement.

What is the Offer?

We are offering to purchase for cash, upon the terms and subject to the conditions set forth in this Offer to Purchase and Consent Solicitation Statement, any and all of the Notes.

What is the Consent Solicitation?

In conjunction with the Offer, we are soliciting Consents from the Holders to the Proposed Amendments, and to the execution and delivery of the New Supplemental Indenture, which would allow the Issuers to deposit cash or U.S. Treasury securities with the Trustee in order to effect the Satisfaction and Discharge pursuant to the Indenture as it relates to the Notes at any time prior to the maturity of the Notes. Holders who validly tender their Notes pursuant to the Offer will be deemed to have delivered their Consents by such tender. Holders may not deliver Consents in the Consent Solicitation without tendering their Notes in the Offer. See “The Offer and the Consent Solicitation.”

Why are we offering to purchase Notes and soliciting Consents?

We are conducting the Offer and the Consent Solicitation to refinance the Notes and to allow the Issuers to deposit cash or U.S. Government Securities with the Trustee to effect the Satisfaction and Discharge of any Notes that are not purchased in the Offer at any time prior to the maturity of the Notes. On or prior to the Early Settlement Date, we expect to issue one or more series of senior guaranteed unsecured notes (the “New Notes” and the issuance thereof, the “New Notes Offering”), which we expect to generate net proceeds in an amount sufficient to fund the purchase of Notes validly tendered and accepted for purchase and the payment of the Total Consideration or Tender Offer Consideration, as applicable, pursuant to the Offer and the Consent Solicitation, including the payment of any premiums, accrued and unpaid interest from the last date on which interest has been paid to, but excluding, the Early Settlement Date or the Final Settlement Date, as applicable, and costs and expenses incurred in connection with the foregoing, and the Satisfaction and Discharge of any outstanding Notes that are not purchased in the Offer as of the Early Settlement Date. The New Notes have not been and will not be registered under the Securities Act of 1933, as amended (the “Securities Act”), or any state securities law and may

not be offered or sold in the United States or to any U.S. persons except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. This Offer to Purchase and Consent Solicitation Statement does not constitute an offer to sell or the solicitation of an offer to buy any of the New Notes to be sold in the New Notes Offering.

What are the effects of the Proposed Amendments?

The Proposed Amendments would allow the Issuers to deposit cash or U.S. Government Securities with the Trustee to effect the Satisfaction and Discharge of any Notes that are not purchased in the Offer at any time prior to the maturity of the Notes. See “Proposed Amendments to the Indenture.”

What are the Requisite Consents?

The Proposed Amendments to the Indenture require the Consent of Holders of not less than a majority in aggregate principal amount of the outstanding Notes. See “Proposed Amendments to the Indenture.”

What is the New Supplemental Indenture?

Assuming receipt of the Requisite Consents, the New Supplemental Indenture implementing the Proposed Amendments is expected to be executed by the Issuers and the Trustee promptly following such receipt.

The New Supplemental Indenture will become effective immediately upon execution by the Issuers and the Trustee but the Proposed Amendments will not become operative until we purchase Notes satisfying the Requisite Consents. See “Conditions of the Offer and the Consent Solicitation” and “Proposed Amendments to the Indenture.” If we do not receive the Requisite Consents by either the Early Tender Deadline or the Expiration Time, or if we do not accept for purchase Notes satisfying the Requisite Consents, the Proposed Amendments will not become operative, the Indenture will remain in effect in its present form.

What is the effect of the Proposed Amendments on unpurchased Notes?

Following the consummation of the New Notes Offering and the Early Tender Deadline, if the Requisite Consents are received we intend to irrevocably deposit cash or U.S. Government Securities (collectively, the “Trust Funds”), with the Trustee in an amount sufficient to fund the payment of the principal amount of, and accrued and unpaid interest on, all Notes that remain outstanding following settlement of the purchase of Notes on the Early Settlement Date, if any, through February 15, 2026, which is the maturity date of the Notes, after which the Indenture will be satisfied and discharged in accordance with its terms with respect to the Notes (the “Satisfaction and Discharge”). If the Requisite Consents are not received, the Issuers intend to deposit cash or U.S. Government Securities with the Trustee with the intent to effect a Satisfaction and Discharge with respect to the Notes that remain outstanding on February 15, 2025. As a result of the

Satisfaction and Discharge, we will be released from our obligations under the Indenture with respect to the Notes, except those provisions of the Indenture that, by their terms, survive the Satisfaction and Discharge. The amount of the Trust Funds will be determined in accordance with the Indenture and may exceed or may be less than the Total Consideration determined as described herein. However, we are not obligated to undertake the Satisfaction and Discharge, and there can be no assurance that we will consummate the Satisfaction and Discharge on the timing anticipated, or at all. Any Satisfaction and Discharge will only be made in accordance with the provisions of the Indenture.

By when must Holders tender their Notes and deliver their Consents in order to be eligible to receive the Total Consideration?

Holders who validly tender and do not validly withdraw their Notes and validly deliver and do not validly revoke Consents before the Early Tender Deadline (5:00 p.m., New York City time, on September 20, 2024, unless the Offer and the Consent Solicitation are extended or earlier terminated) will be eligible to receive, upon the terms and subject to the conditions set forth in this Offer to Purchase and Consent Solicitation Statement, the applicable Total Consideration, plus accrued and unpaid interest from the last interest payment date to, but excluding, the Early Settlement Date (which will occur within two business days following the Pricing Date). The Early Settlement Date is currently expected to be September 25, 2024, unless the Offer and the Consent Solicitation are extended or earlier terminated.

When do the Offer and the Consent Solicitation expire?

The Offer and the Consent Solicitation expire at the Expiration Time (5:00 p.m., New York City time, on October 7, 2024, unless the Offer and the Consent Solicitation are extended or earlier terminated).

What are the Issuers offering to pay for my Notes?

If you validly tender and do not validly withdraw Notes and validly deliver and do not validly revoke Consents prior to the Early Tender Deadline, then upon the terms and subject to the conditions set forth in this Offer to Purchase and Consent Solicitation Statement, you will be eligible to receive an amount in cash equal to the applicable Total Consideration for each \$1,000 principal amount of Notes so tendered and not validly withdrawn and accepted for payment pursuant to the Offer, which includes the Early Tender Payment.

If you validly tender Notes and validly deliver Consents after the Early Tender Deadline but prior to the Expiration Time, then upon the terms and subject to the conditions set forth in this Offer to Purchase and Consent Solicitation Statement, you will be eligible to receive an amount in cash equal to the Tender Offer Consideration for each \$1,000 principal amount of Notes so tendered and accepted for payment pursuant to the Offer as set forth below.

Upon the terms and subject to the conditions set forth in this Offer to Purchase and Consent Solicitation Statement, in addition to the Total Consideration or Tender Offer Consideration, Holders who validly tender their Notes and validly deliver Consents prior to the Early Tender Deadline or the Expiration Time, if such Notes are accepted for payment pursuant to the Offer, will also be paid accrued and unpaid interest from the last date on which interest was paid up to, but excluding, the Early Settlement Date or the Final Settlement Date, as applicable. Interest will cease to accrue on the Early Settlement Date or the Final Settlement Date, as applicable, for all Notes accepted in the Offer.

When will I be paid?

If you validly tender and do not validly withdraw Notes and validly deliver and do not validly revoke Consents prior to the Early Tender Deadline, we expect to pay the Total Consideration with respect to all such Notes within two business days following the Pricing Date, subject to the terms and conditions set forth in the Offer to Purchase and Consent Solicitation Statement.

If you validly tender Notes and validly deliver Consents after the Early Tender Deadline but prior to the Expiration Time, we expect to pay the Tender Offer Consideration with respect to all such Notes on the second business day following the Expiration Time, subject to the terms and conditions set forth in the Offer to Purchase and Consent Solicitation Statement.

How will you pay for my Notes and Consents?

We intend to fund the purchase of Notes and the payment for Consents pursuant to the Offer and the Consent Solicitation with proceeds from the New Notes Offering. The Offer and the Consent Solicitation are conditioned on the Financing Condition and the other conditions set forth in this Offer to Purchase and Consent Solicitation Statement.

Are there any conditions to the Offer and the Consent Solicitation?

Notwithstanding any other provision of the Offer, the consummation of the Offer and our obligations to accept for purchase, and to pay for, Notes validly tendered and not validly withdrawn pursuant to the Offer are subject to the satisfaction of or waiver of the following conditions: (1) the successful completion of the New Notes Offering generating net proceeds in an amount that is sufficient, in the reasonable judgment of the Issuers, to effect (i) the repurchase of the Notes validly tendered and accepted for purchase pursuant to the Offer, and (ii) the Satisfaction and Discharge, and to pay the costs and expenses incurred in connection with the foregoing (collectively, the "Financing Condition"), and (2) the satisfaction or waiver by us of the General Conditions. We may, in our sole discretion, waive any of the conditions of the Offer and the Consent Solicitation, in whole or in part, at any time and from time to time. Subject to applicable law, we may amend,

extend or terminate the Offer and the Consent Solicitation. See “Conditions of the Offer and the Consent Solicitation.”

Can the Offer and the Consent Solicitation be extended, and, if so, under what circumstances?

Yes. We expressly reserve the right to extend the Offer and the Consent Solicitation at any time, for any reason. Upon any such extension we will provide a notice of such extension by press release or other public announcement, which notice shall include disclosure of the approximate principal amount of the Notes deposited to date and shall be issued no later than 9:00 a.m. New York City time on the next business day after the scheduled Expiration Time of the Offer. Without limiting the manner in which we may choose to make such announcement, we will not, unless otherwise required by law, have any obligation to advertise or otherwise communicate any such announcement other than by issuing a press release or such other means of announcement as we deem appropriate.

Can the Offer and the Consent Solicitation be amended or terminated, and, if so, under what circumstances?

Yes. We expressly reserve the right, subject to applicable law, to terminate the Offer and the Consent Solicitation prior to the Early Tender Deadline or the Expiration Time for any reason and not accept for payment any Notes and Consents not accepted for payment, and to otherwise amend the terms of the Offer and the Consent Solicitation in any respect. Subject to applicable law, we may amend, extend or terminate the Offer and the Consent Solicitation. Any amendment or termination of the Offer and the Consent Solicitation by us will be followed as promptly as practicable by announcement thereof in accordance with applicable law. If we make a material change in the terms of the Offer or the Consent Solicitation or the information concerning the Offer or the Consent Solicitation or waive a material condition of the Offer or the Consent Solicitation, we will, to the extent required by law, disseminate additional Offer and Consent Solicitation materials and extend the Offer and the Consent Solicitation. In addition, we may, if we deem appropriate, extend the Offer and the Consent Solicitation for any other reason. Without limiting the manner in which we may choose to make such announcement, we will not, unless otherwise required by law, have any obligation to advertise or otherwise communicate any such announcement other than by issuing a press release or such other means of announcement as we deem appropriate.

How do I tender my Notes and deliver Consents?

See “Procedures for Tendering Notes and Delivering Consents.” For further information, call or email, as applicable, the Depositary and Information Agent or the Dealer Managers or consult your broker, dealer, commercial bank, trust company or other nominee for assistance. If you own your Notes in “street name” (i.e., your Notes are registered in the name of a broker,

dealer, commercial bank, trust company or other nominee), then you must contact your broker, dealer, commercial bank, trust company or other nominee and direct it to tender your Notes and deliver Consents on your behalf.

You must tender Notes and deliver Consents through DTC pursuant to ATOP, for which the transaction will be eligible. There is no letter of transmittal for the Offer. There are no guaranteed delivery provisions provided by us in order to tender Notes in the Offer. Notes may be tendered only in amounts equal to the authorized denominations set forth in "Procedures for Tendering Notes and Delivering Consents."

If I change my mind, can I withdraw my tender of Notes and revoke my delivery of Consents?

Tendered Notes may be withdrawn and delivered Consents may be revoked at any time on or prior to the Early Tender Deadline. Holders may not withdraw tenders of Notes or revoke deliveries of Consents after the Early Tender Deadline, except as required by law. If the Offer and the Consent Solicitation are terminated or otherwise not completed, then the Total Consideration or the Tender Offer Consideration, as applicable, and any accrued and unpaid interest will not be paid or become payable pursuant to the Offer and the Consent Solicitation to the Holders of Notes who have tendered their Notes and delivered Consents and we will promptly return such Notes to their respective Holders.

Have the Issuers made any recommendation about the Offer and the Consent Solicitation?

No. None of the Issuers, our management, GENNY's sole member, GENNY Capital's board of directors, the Trustee, the Depositary and Information Agent, the Dealer Managers nor DTC has made any recommendation as to whether a Holder should or should not tender Notes or deliver Consents pursuant to the Offer and the Consent Solicitation.

Are there U.S. federal income tax implications if I tender my Notes and deliver Consents?

## THE ISSUERS

GENNY has constructed and operates an approximately 6,000 game Video Lottery Facility (“VLF”) in Queens, New York that commenced operations on October 28, 2011. The VLF has amenities including one fine dining restaurant and a food court and features bars on both floors of the facility. In 2017, GENNY broke ground on an expansion project (“Expansion Project”), which included the development of a 400 room hotel on the facility premises, the expansion of the gaming space at the VLF, and the development and expansion of related amenities, including retail, food and beverage facilities, and meeting space. The first phase of the gaming expansion was opened in September of 2019. In 2020, we entered into a franchise agreement with Hyatt Corporation to brand the hotel as the *Hyatt Regency JFK at Resorts World New York*. The hotel, retail, food and beverage and meeting space components of the Expansion Project were completed and opened in the third quarter of 2021.

In January 2023, the New York State Gaming Commission (“NYSGC”) began a competitive bidding process for up to three downstate New York Class III Potential Commercial Gaming Licenses (the “Potential Commercial Gaming License”). We intend to submit an application for one of these casino licenses. At least 11 entities are currently competing for the three casino licenses and the process of bidding for additional licenses is highly competitive. As a result, no assurance can be given that we will be awarded such a license.

Other than acting in its capacity as (1) a co-Issuer of the New Notes and the Notes, (2) a guarantor under our senior secured credit facilities and (3) a co-issuer or guarantor of any future debt, GENNY Capital does not and will not have any operations or assets and does not and will not have any revenue.

Examples of such forward-looking statements include discussions of the expected results of various strategies. Although we believe that our expectations are based upon good faith, reasonable assumptions, there can be no assurance that our financial or other goals will be realized. Our forward-looking statements concern matters that involve known and unknown risks, uncertainties and other factors that may cause our actual results, performance or achievements, or industry results, to be materially different from the future results, performance or achievements described or implied by such forward-looking statements. Numerous factors may affect our actual results and may cause results to differ materially from those expressed in the forward-looking statements made by us or on our behalf. Any statements that are not statements of historical fact may be forward-looking statements, and such forward-looking statements may be found at various places throughout this Offer to Purchase and Consent Solicitation. Among others, we may have used the words “believes,” “anticipates,” “plans,” “estimates,” “expects,” “seeks,” “will,” “should,” “could,” “may,” “aims,” “intends,” and “projects” to identify forward-looking statements, although not all forward-looking statements include these identifying words. Such statements may be considered forward looking statements within the meaning of Section 21E of the Exchange Act.

Factors that could cause actual results, performance or achievements to differ materially from those expressed or implied by these forward-looking statements included in this Offer to Purchase and Consent Solicitation also include, among others:

- licensing decisions of the NYSGC, with respect to up to three full casino licenses for downstate New York State, including
  - the potential failure to award new licenses to us and the potential award of new licenses to our competitors (including the substantial additional competitive pressure that would result if one or more of our competitors received a license and we did not);
  - the conditions to any Potential Commercial Gaming License that we obtain, including any impact of those conditions on our ability to fully and economically utilize the license in an economic manner;

- the substantial increase in our level of indebtedness that would result from payment for any Potential Commercial Gaming License that we might obtain and related expansion and renovation projects;
  - financing arrangements related to funding costs associated with any potential new license that we might obtain;
  - implementation of changes to our business to utilize any potential new license that we might obtain (including the plans for major expansion and renovation);
  - exposure to new or increased risks, such as increased variability in the actual win rates of our gaming patrons from theoretical win rates anticipated and potential inability to collect receivables from gaming patrons if we extend credit; and
  - the degree of our success in maintaining, renewing or obtaining other licenses, registrations, permits or approvals from the NYSGC or other relevant regulators and the satisfaction of related conditions.
- the competitive environment in which we operate and our ability to attract patrons for our gaming, hotel, retail and entertainment services;
  - our ability to maintain our cost structure and limit expenses, including labor costs;
  - global, U.S. and local economic conditions and consumer spending habits and preferences;
  - risks of New York State enacting regulatory changes affecting the gaming market in New York or other local markets;
  - our management's shared responsibilities among Genting Berhad and its consolidated entities (Genting Group), including at Empire Resorts Inc.
  - the current limitation of gaming at Resorts World Casino New York City to video lottery terminals, including electronic slot machines and electronic table gaming;
  - our dependence on one property for substantially all of our cash flow;
  - limitations on our equity owners' ability to fund our operations;
  - our dependence on affiliates of Genting Malaysia Berhad for use of licensed intellectual property;
  - differing interests between our equity owners and the holders of the notes;
  - our ability to recruit, train and retain an adequate number of qualified and suitable managers and employees and the possible loss of our managers or employees;
  - our current and future insurance coverage levels;
  - the possibility of fraud and/or cheating by our customers or employees;
  - damage or service interruptions to technology services or electrical power;
  - cybersecurity risk including misappropriation of customer information or other breaches of information security;

- environmental hazards or adverse consequences from environmental, health or safety regulations related to our operations;
- our ability to protect our brand and intellectual property rights;
- our ability to comply with covenants in the Indenture, the indenture governing the New Notes and the agreements governing our new senior secured delayed draw term loan facility in the amount of \$775 million, a new senior secured revolving credit facility in the amount of \$150 million (including a \$50 million letter of credit sublimit), and a building loan facility, to which GENNY may allocate unfunded delayed draw term loan commitments;
- changes in federal or state tax laws and the administration of such laws;
- legal proceedings related to our business and any adverse judgments or settlements resulting from any such legal proceedings;
- decreased airline travel, particularly at John F. Kennedy International Airport, which may adversely affect our hotel occupancy; and
- the impact of any catastrophic events, such as natural disasters, wars, acts of terrorism or epidemics.

These factors should not be construed as exhaustive and should be read in conjunction with the other cautionary statements included elsewhere in this Offer to Purchase and Consent Solicitation Statement. These risks and uncertainties, as well as other risks and uncertainties of which we are not aware or which we currently do not believe to be material, may cause our actual future results to be materially different than those expressed in our forward-looking statements. We caution you not to place undue reliance on these forward-looking statements. All forward-looking statements attributable to us or persons acting on our behalf are expressly qualified in their entirety by the foregoing cautionary statements. Forward-looking statements speak only as of the date of this Offer to Purchase and Consent Solicitation Statement. We do not intend, and undertake no obligation to, make any revisions to these forward-looking statements to reflect events or circumstances after the date of this Offer to Purchase and Consent Solicitation Statement, except as required by applicable law and the applicable rules and regulations of the Singapore Exchange Securities Trading Limited (the “SGX-ST”).

## **CERTAIN CONSIDERATIONS**

**In deciding whether to participate in the Offer and the Consent Solicitation, each Holder should consider carefully, in addition to the other information contained in this Offer to Purchase and Consent Solicitation Statement, the matters discussed below:**

### **Effect of Not Tendering and Delivering Consents by Early Tender Deadline**

Holders who validly tender and do not validly withdraw their Notes and validly deliver and do not validly revoke their Consents on or prior to the Early Tender Deadline will be eligible to receive the applicable Total Consideration, which consists of the applicable Tender Offer Consideration and an Early Tender Payment. Holders who validly tender and do not validly withdraw their Notes and validly deliver and do not validly revoke their Consents after the Early Tender Deadline, and on or prior to the Expiration Time, will only be eligible to receive the applicable Tender Offer Consideration.

Moreover, while we currently expect that, following the consummation of the New Notes Offering and the Early Tender Deadline, we will effect the Satisfaction and Discharge with respect to any Notes not purchased by us in the Offer on the Early Settlement Date, we are not obligated to undertake the Satisfaction and Discharge on the timeline anticipated, or at all.

### **Market and Trading Information**

The Notes are listed on the Official List of the SGX-ST but not otherwise listed on any national or regional securities exchange. Quotations for securities that are not widely traded, such as the Notes, may differ from actual trading prices and should be viewed as approximations. Holders are urged to obtain current information with respect to market prices for the Notes. Although we believe that the over-the-counter trading activity of the Notes is currently limited, to the extent that Notes are purchased pursuant to the Offer, the trading market for the Notes that remain outstanding may become even more limited.

A debt security with a smaller outstanding principal amount available for trading (i.e., a smaller “float”) may command a lower price than would a comparable debt security with a greater float. Therefore, the market price for and liquidity of Notes not purchased in the Offer may be adversely affected because the purchase of Notes in the Offer will reduce the float of such Notes. The reduced float may also make the trading price more volatile. There can be no assurance that any trading market will exist for the Notes following the consummation of the Offer or that we will effect the Satisfaction and Discharge or repurchase any of the Notes not purchased by us in the Offer. The extent of the public market for the Notes following consummation of the Offer would depend upon the number of Holders that remain at such time, the interest in maintaining markets in those Notes on the part of securities firms and other factors.

### **Other Purchases of Notes; Satisfaction and Discharge**

Whether or not the Offer is consummated, we or our affiliates may from time to time acquire Notes, otherwise than pursuant to the Offer, through open market purchases, privately negotiated transactions, tender offers, exchange offers, redemptions or otherwise, upon such terms and at such prices as we may determine (or as provided in the Indenture, in the case of redemptions), which may be more or less than the price to be paid pursuant to the Offer and could be for cash or other consideration. Any future purchases, including any redemption of Notes pursuant to their terms, by us or our affiliates will depend on various factors existing at that time. Alternatively, we may allow all or a portion of the Notes to remain outstanding until their stated maturity. There can be no assurance as to which, if any, of these alternatives or combinations thereof we or our affiliates will choose to pursue in the future.

We currently expect that, following the consummation of the New Notes Offering and the Early Tender Deadline, we will effect the Satisfaction and Discharge with respect to any Notes not purchased by us in the Offer on

the Early Settlement Date. The amount of the Trust Funds will be determined in accordance with the Indenture and may exceed or may be less than the Total Consideration determined as described herein. However, we are not obligated to undertake the Satisfaction and Discharge, and there can be no assurance that we will consummate the Satisfaction and Discharge on the timing anticipated, or at all. Any Satisfaction and Discharge will only be made in accordance with the provisions of the Indenture.

### **Market Volatility May Affect Offer Consideration for the Notes**

The consideration offered for the Notes pursuant to the Offer is dependent upon the price of U.S. Treasury securities. The price of the applicable U.S. Treasury security, and therefore the Total Consideration and Tender Offer Consideration applicable to the Notes may fluctuate significantly from the date of the Tender Offer to the Pricing Date.

### **Conditions to the Consummation of the Offer and the Consent Solicitation**

The consummation of the Offer and the Consent Solicitation is subject to the satisfaction or waiver by us of the Financing Condition and the General Conditions. See “Conditions of the Offer and the Consent Solicitation.” Such conditions may not be met and, if the Offer and the Consent Solicitation is not consummated, the market value and liquidity of the Notes may be materially adversely affected.

### **Tax Matters**

See “Certain U.S. Federal Income Tax Considerations” for a discussion of certain U.S. federal income tax considerations of the Offer and the Consent Solicitation.

## **PURPOSE AND FINANCING OF THE OFFER AND THE CONSENT SOLICITATION**

### **Purpose of the Offer and the Consent Solicitation; Financing**

We are making the Offer and the Consent Solicitation in order to retire a portion of our outstanding indebtedness and allow the Issuers to deposit cash or U.S. Government Securities with the Trustee to effect the Satisfaction and Discharge of any Notes that are not purchased in the Offer at any time prior to the maturity of the Notes. Notes purchased in the Offer will be retired and canceled. Concurrently with the Offer, we are commencing an offering of debt securities pursuant to the New Notes Offering. We intend to use a portion of the net proceeds from the New Notes Offering to pay the Total Consideration for Notes accepted for purchase pursuant to the Offer and to pay fees and expenses related to the Offer. We intend to use any remaining net proceeds from the New Notes Offering, together with cash on hand, to repay the \$175 million outstanding principal amount under our existing term loan facility and to purchase and deposit U.S. Government Securities with the Trustee, or deposit cash, (i) to effect the Satisfaction and Discharge of any Notes that are not purchased in the Offer (if the Requisite Consents are obtained) or (ii) with the intent to effect a Satisfaction and Discharge with respect to the Notes that remain outstanding on February 15, 2025 (if the Requisite Consents are not obtained). The timing of the consummation of the New Notes Offering will depend on market conditions and other factors. We cannot assure you that we will consummate the New Notes Offering in a timely manner, or at all. Notwithstanding any other provision of the Offer, our obligation to accept for payment, purchase and pay for any Notes validly tendered and not validly withdrawn pursuant to the Offer is conditioned upon the completion of the New Notes Offering by us on terms and conditions (including, but not limited to, the amount of net proceeds raised) satisfactory to us. This Offer to Purchase and Consent Solicitation Statement does not constitute an offer to sell or the solicitation of an offer to buy any of the New Notes to be sold in the New Notes Offering.

We currently expect that, following the consummation of the New Notes Offering and the Early Tender Deadline, we will irrevocably deposit the Trust Funds with the Trustee in an amount sufficient to fund the payment of the principal amount of, and accrued and unpaid interest on, all Notes that remain outstanding following settlement of the purchase of Notes on the Early Settlement Date, if any, through February 15, 2026, which is the maturity date of the Notes, after which the Indenture will be satisfied and discharged in accordance with its terms with respect to the Notes. As a result of the Satisfaction and Discharge, we will be released from our obligations under the Indenture with

respect to the Notes, except those provisions of the Indenture that, by their terms, survive the Satisfaction and Discharge. The amount of the Trust Funds will be determined in accordance with the Indenture and may exceed or may be less than the Total Consideration determined as described herein. However, we are not obligated to undertake the Satisfaction and Discharge, and there can be no assurance that we will consummate the Satisfaction and Discharge on the timing anticipated, or at all. Any Satisfaction and Discharge will only be made in accordance with the provisions of the Indenture. Statements in this Offer to Purchase and Consent Solicitation Statement regarding the New Notes Offering shall not constitute an offer to sell or a solicitation of an offer to buy any securities.

#### **Position Regarding the Offer and the Consent Solicitation**

None of the Issuers, our management, GENNY's sole member, GENNY Capital's board of directors, the Trustee, the Depositary and Information Agent, the Dealer Managers nor DTC makes any recommendation as to whether any Holder should tender or deliver, or refrain from tendering or delivering, Notes or Consents, and none of the Issuers nor any of its affiliates has authorized any person to make any such recommendation. Holders are urged to evaluate carefully all information in this Offer to Purchase and Consent Solicitation Statement, consult their investment and tax advisors and make their own decisions about whether to tender Notes and deliver Consents, and, if they wish to tender Notes and deliver Consents, the principal amount of Notes to tender and with which to deliver Consents.

## THE OFFER AND THE CONSENT SOLICITATION

This Offer to Purchase and Consent Solicitation Statement contains important information, and you should read it carefully in its entirety before you make any decision with respect to the Offer and the Consent Solicitation.

### General

We are offering to purchase for cash and soliciting, upon the terms and subject to the conditions set forth in this Offer to Purchase and Consent Solicitation Statement, all of the outstanding Notes and the Consents.

### Total Consideration and Tender Offer Consideration

Upon the terms and subject to the conditions set forth in this Offer to Purchase and Consent Solicitation Statement, we hereby offer to pay the applicable Total Consideration on the Early Settlement Date to each Holder who validly tenders and does not validly withdraw Notes and validly delivers and does not validly revoke Consents prior to the Early Tender Deadline. Upon the acceptance of such Holders' Notes, such Holders will receive payment of the Total Consideration on the Early Settlement Date. Furthermore, upon the terms and subject to the conditions set forth in this Offer to Purchase and Consent Solicitation Statement, we hereby offer to pay the applicable Tender Offer Consideration on the Final Settlement Date to each Holder who validly tenders Notes and validly delivers Consents after the Early Tender Deadline but on or prior to the Expiration Time. The Issuers will also pay all accrued and unpaid interest up to, but excluding, the Early Settlement Date or the Final Settlement Date, as applicable.

The consideration per \$1,000 in principal amount of Notes to be paid to a Holder who tenders Notes at or prior to the Early Tender Deadline that are accepted for purchase pursuant to the Offer will be the applicable Total Consideration, plus accrued interest, rounded to the nearest cent. The consideration per \$1,000 in principal amount of Notes to be paid to a Holder who tenders such Notes after the Early Tender Deadline that are accepted for purchase pursuant to the Tender Offer will be the Tender Offer Consideration, plus accrued interest, rounded to the nearest cent.

The following table summarizes the material pricing terms for the Offer:

Title of Notes	CUSIP	Outstanding Principal Amount	UST Reference Security	Bloomberg Reference Page <sup>(1)</sup>	Fixed Spread (bps)	Early Tender Payment <sup>(2)(3)</sup>
3.300% Senior Notes Due 2026	37255J AA0 U2732P AA0	\$525,000,000	4.000% U.S. Treasury Notes due February 15, 2026	FIT4	+0	\$50.00

- (1) The applicable page on Bloomberg from which the Dealer Managers will quote the bid side price of the applicable U.S. Treasury security.
- (2) Per \$1,000 principal amount of Notes tendered and accepted for purchase.
- (3) Included in the Total Consideration for Notes tendered and accepted for purchase on or prior to the Early Tender Deadline.

The Total Consideration payable for each \$1,000 principal amount of Notes purchased in the Offer will be equal to:

- the value of all the remaining payments of principal thereof and interest thereon required to be made through the maturity of the Notes (assuming all such payments are made in full when due), discounted to the applicable Settlement Date (in a manner consistent with the methodology underlying the formula for the Total Consideration set forth in Annex A) at a discount rate, equal to the sum of:
  - a. the yield to maturity of the applicable UST Reference Security as calculated by the Dealer Managers in accordance with standard market practice based on the bid-side

price of the applicable UST Reference Security as displayed on the relevant Bloomberg Reference Page as of 10:00 a.m., New York City time, on the Pricing Date, or, if the Dealer Managers determine that such page is not operational or is displaying inaccurate information at that time, the bid-side price of the applicable UST Reference Security as determined at or around such time on the Pricing Date by such other means as the Dealer Managers consider appropriate in their sole discretion under the circumstances, plus

b. the applicable Fixed Spread;

*minus*

- the accrued interest from the last interest payment date up to, but not including, the applicable Settlement Date.

Payment for Notes validly tendered and Consents validly delivered that are accepted for payment will be made by the deposit of immediately available funds by the Issuers with the Depository and Information Agent. The Depository and Information Agent will receive payment from the Issuers on behalf of Holders and will transmit such payments to Holders.

The Dealer Managers will determine the applicable Reference Yield, Tender Offer Yield, Total Consideration and Tender Offer Consideration for the Notes and accrued interest for the Notes on the Pricing Date and their determination will be final and binding, absent manifest error. We will issue a press release and release via SGXNET specifying the Reference Yield, Tender Offer Yield, Total Consideration, Tender Offer Consideration and accrued interest for such Notes promptly after they are calculated.

You may obtain hypothetical quotes of the applicable Reference Yield, Tender Offer Yield, Total Consideration and Tender Offer Consideration before the actual amounts are calculated (determined as of a then recent time), and you may obtain the applicable actual Reference Yield, Tender Offer Yield and Total Consideration with respect to the Notes and Tender Offer Consideration with respect to the Notes after the actual amounts are calculated, by contacting the Dealer Managers at their telephone numbers set forth on the back cover of this document.

Because the Total Consideration and Tender Offer Consideration are based on a fixed spread pricing formula linked to a yield on the applicable UST Reference Security, the Total Consideration for the Notes and Tender Offer Consideration for the Notes will be affected by changes in that yield during the term of the Offer prior to the Pricing Date.

### **Early Tender Payment**

In the event Notes are accepted for purchase pursuant to the Offer, we will pay, as part of the Total Consideration, the Early Tender Payment in cash equal to \$50.00 for each \$1,000 principal amount of Notes that have been validly tendered and not validly withdrawn on or prior to the Early Tender Deadline. Holders who desire to tender their Notes pursuant to the Offer and receive the Total Consideration (i.e., the Tender Offer Consideration plus the Early Tender Payment) for such Notes are required to deliver Consents to the Proposed Amendments on or prior to the Early Tender Deadline. The valid tender of Notes will constitute the Consent of the tendering Holder to the Proposed Amendments. If a Holder's Notes are not validly tendered or validly withdrawn pursuant to the Offer on or prior to the Early Tender Deadline or such Holder's Consent is not validly delivered or validly revoked, on or prior to the Early Tender Deadline, such Holder will not receive the Early Tender Payment, even though, assuming the Requisite Consents are obtained and the New Supplemental Indenture is executed, the Proposed Amendments will be effective and operative as to any of such Holder's Notes that are not purchased in the Offer. See "Proposed Amendments to the Indenture." The Issuers are not soliciting and will not accept Consents to the Proposed Amendments from Holders who are not also tendering their Notes pursuant to the Offer.

The Total Consideration will be paid on the Early Settlement Date to Holders who validly tender and do not validly withdraw their Notes and who deliver and do not validly revoke the Consents on or prior to the Early Tender Deadline, assuming the Notes are accepted for purchase and all applicable conditions have been satisfied or waived. On the Final Settlement Date, Holders who validly tender their Notes and validly deliver Consents after the Early Tender Deadline and prior to the Expiration Time will be eligible to receive the Tender Offer Consideration, if such Notes and Consents are accepted, but will not be eligible to receive the Early Tender Payment.

Tenders of Notes pursuant to the Offer may be validly withdrawn and Consents delivered pursuant to the Consent Solicitation may be validly revoked at any time on or prior to the Early Tender Deadline by following the procedures described in this Offer to Purchase and Consent Solicitation Statement. A Holder may not validly revoke a Consent without validly withdrawing such Holder's previously tendered Notes, and the valid withdrawal of a Holder's previously tendered Notes will constitute the concurrent valid revocation of such Holder's Consent. Any Notes tendered on or prior to the Early Tender Deadline that are not validly withdrawn on or prior to the Early Tender Deadline may not be withdrawn thereafter, except as required by law. A Holder who validly withdraws previously tendered Notes will not receive the Total Consideration or the Tender Offer Consideration with respect to such Notes, unless such Notes are validly retendered on or prior to the Early Tender Deadline (in which case the Holder will be eligible to receive the Total Consideration) or on or prior to the Expiration Time (in which case the Holder will be eligible to receive the Tender Offer Consideration only). Any Notes validly tendered and Consents validly delivered after the Early Tender Deadline may not be withdrawn, except as required by law.

Subject to applicable law, the Issuers reserve the right to extend, amend or terminate the Offer and the Consent Solicitation. See "Expiration Time; Extension; Amendment; Termination."

#### **PROPOSED AMENDMENT TO THE INDENTURE**

We are soliciting the Consents of the Holders to the Proposed Amendments to the Indenture and to the execution and delivery by the Issuers and the Trustee of the New Supplemental Indenture to effect such Proposed Amendments.

Pursuant to the terms of the Indenture, the Proposed Amendments require the Consent of the Holders of not less than a majority in aggregate principal amount of the outstanding Notes. If the Requisite Consents are received, we expect that the Issuers and the Trustee will execute the New Supplemental Indenture promptly following such receipt. The New Supplemental Indenture will become effective immediately upon execution by the Issuers and the Trustee but the Proposed Amendments will not become operative until we purchase the Notes satisfying the Requisite Consents in the Offer. If we do not receive such Requisite Consents by either the Early Tender Deadline or the Expiration Time, the applicable New Supplemental Indenture will not be executed, the Proposed Amendments to the Indenture will not become operative, and the Issuers intend to deposit U.S. Government Securities with the Trustee with the intent to effect a Satisfaction and Discharge with respect to the Notes that remain outstanding on February 15, 2025. All statements in this Offer to Purchase and Consent Solicitation Statement regarding the substance of any provision of the Proposed Amendments or the Indenture are qualified in their entirety by reference to the language set forth in the New Supplemental Indenture and the Indenture, as applicable. Copies of the New Supplemental Indenture and the Indenture are available upon request from the Depositary and Information Agent at the address and telephone numbers set forth on the back cover of this Offer to Purchase and Consent Solicitation Statement, and at the following web address: <https://www.gbsc-usa.com/genting>.

We currently expect that, following the consummation of the New Notes Offering and the settlement of the purchase of Notes by us on the Early Settlement Date, we will irrevocably deposit the Trust Funds with the Trustee in an amount sufficient to fund the payment of the principal amount of, and accrued and unpaid interest on, all Notes that remain outstanding following such settlement, if any, through February 15, 2026, which is the maturity date of the Notes, after which the Satisfaction and Discharge will occur. We intend to use a portion of the net proceeds from the New Notes Offering to pay the Total Consideration or Tender Offer Consideration, as applicable, for Notes accepted for purchase pursuant to the Offer and to pay fees and expenses related to the Offer. We intend to use any remaining net proceeds from the New Notes Offering, together with cash on hand, to repay the \$175 million outstanding principal amount under our existing term loan facility and to purchase and deposit U.S. Government Securities with the Trustee (i) to effect the Satisfaction and Discharge of any Notes that are not purchased in the Offer (if the Requisite Consents are obtained) or (ii) with the intent to effect a Satisfaction and Discharge with respect to

the Notes that remain outstanding on February 15, 2025 (if the Requisite Consents are not obtained). As a result of the Satisfaction and Discharge, we will be released from our obligations under the Indenture with respect to the Notes, except those provisions of the Indenture that, by their terms, survive the Satisfaction and Discharge. The amount of the Trust Funds will be determined in accordance with the Indenture and may exceed or may be less than the Total Consideration determined as described herein. However, we are not obligated to undertake the Satisfaction and Discharge, and there can be no assurance that we will consummate the Satisfaction and Discharge on the timing anticipated, or at all. Any Satisfaction and Discharge will only be made in accordance with the provisions of the Indenture. Statements in this Offer to Purchase and Consent Solicitation Statement regarding the New Notes Offering shall not constitute an offer to sell or a solicitation of an offer to buy any securities. See “Certain Considerations—Other Purchases of Notes; Satisfaction and Discharge.

### **Amendment to the Indenture**

If the Requisite Consents are received, the Proposed Amendments will allow the Issuers to deposit cash or U.S. Government Securities with the Trustee to effect the Satisfaction and Discharge of any Notes that are not purchased in the Offer at any time prior to the maturity of the Notes. In particular, the Proposed Amendments will result in:

1. The addition of the following new last paragraph of Section 11.01:

“Satisfaction and discharge of the Notes pursuant to Section 11.01(1)(b) of this Indenture will be permitted at any time, without regard to the limitation within such section of such satisfaction and discharge to “within one year” of redemption or maturity, which limitation shall be void. For the avoidance of doubt, references in the preceding paragraph and in Section 11.02 of this Indenture to money held by the Trustee following any satisfaction and discharge shall apply as well to non-callable Government Securities so held.”

2. The deletion of the second paragraph of Section 11.02, which currently provides for the reinstatement of the Issuers’ obligations under the Indenture and Notes if the Trustee is unable to apply funds to the satisfaction and discharge of the Notes due to legal proceedings or orders of a court or government authority.

### **When the Proposed Amendments Become Effective**

The Issuers intend to execute the New Supplemental Indenture promptly after the receipt of the Requisite Consents. The New Supplemental Indenture will become effective when executed by the Issuers and the Trustee. However, the New Supplemental Indenture will become operative only upon our acceptance for purchase, pursuant to the Offer, of not less than a majority in aggregate principal amount of the outstanding Notes and payment therefor.

The amendments to the Indenture effected by the New Supplemental Indenture will be deemed to be revoked retroactively to the date of the New Supplemental Indenture, and the Indenture will remain in its current form, if the purchase of the Notes does not occur, whether because we terminate the Offer or for any other reason.

## **EXPIRATION TIME; EXTENSION; AMENDMENT; TERMINATION**

The Offer and the Consent Solicitation will expire at 5:00 p.m., New York City time, on October 7, 2024, unless the Expiration Time is extended with respect to the Offer and the Consent Solicitation or we terminate the Offer and the Consent Solicitation prior to the Expiration Time. The last day and time by which a Holder must tender Notes to be eligible for the Total Consideration, which includes the Early Tender Payment, is 5:00 p.m., New York City time, on September 20, 2024, unless extended or earlier terminated by us. In the event that the Early Tender Deadline or the Expiration Time are extended, the terms “Early Tender Deadline” and “Expiration Time” shall mean the time and date on which the Early Tender Deadline or the Expiration Time, as so extended, shall occur.

We expressly reserve the right, subject to applicable law, to (1) terminate the Offer and the Consent Solicitation prior to the Early Tender Deadline or the Expiration Time and not accept for payment the Notes or Consents not theretofore accepted for payment pursuant to such Offer and the Consent Solicitation for any reason, (2) waive any and all of the conditions of the Offer and the Consent Solicitation prior to the Early Tender Deadline or the Expiration Time, (3) extend the Early Tender Deadline or the Expiration Time and (4) otherwise amend the terms of the Offer and the Consent Solicitation in any respect. The rights reserved by us in this paragraph are in addition to our rights to terminate the Offer and the Consent Solicitation as described in “Conditions of the Offer and the Consent Solicitation.”

Subject to applicable law, we may exercise our right to terminate or amend the Offer and the Consent Solicitation. If we make a material change in the terms of or the information concerning, or if we waive a material condition of, the Offer and the Consent Solicitation, we will, to the extent required by law, disseminate additional materials and extend the Offer and the Consent Solicitation. In addition, subject to applicable law, we may, if we deem appropriate, extend the Offer and the Consent Solicitation for any other reason.

If Notes tendered on or prior to the Early Tender Deadline have been accepted for purchase by us upon satisfaction or waiver of the applicable conditions, our obligation to accept for purchase, and to pay for, any Notes validly tendered after the Early Tender Deadline and on or prior to the Expiration Time shall be conditioned only upon satisfaction of the General Conditions. In the event we terminate the Offer and the Consent Solicitation, we will give immediate notice thereof to the Depository and Information Agent (with a copy to the Trustee), and all Notes theretofore tendered and not accepted for purchase shall be returned promptly to the tendering Holders. Any such termination will be followed promptly by public announcement thereof. In the event that the Offer and the Consent Solicitation is withdrawn or otherwise not completed, the Tender Offer Consideration and Early Tender Payment for the Offer and the Consent Solicitation will not be paid or become payable. See “Withdrawal of Tenders; Revocation of Consents” and “Conditions of the Offer and the Consent Solicitation.”

If we extend the Offer and the Consent Solicitation or if, for any reason (whether before or after any Notes have been accepted for payment), the acceptance for payment of, or the payment for, Notes is delayed or we are unable to accept for payment or pay for Notes validly tendered pursuant to the Offer, then, without prejudice to our rights pursuant to such Offer, tendered Notes may be retained by the Depository and Information Agent on our behalf and may not be withdrawn, except as otherwise required by applicable law, including Rule 14e-1(c) under the Exchange Act, which requires that we pay the consideration offered or return the Notes deposited by or on behalf of the Holders thereof promptly after the termination or withdrawal of the Offer, as applicable.

Any extension, amendment or termination of the Offer and the Consent Solicitation by us will be followed as promptly as practicable by announcement thereof in accordance with applicable law. Without limiting the manner in which we may choose to make such announcement, we will not, unless otherwise required by law, have any obligation to advertise or otherwise communicate any such announcement other than by issuing a press release or such other means of announcement as we deem appropriate.

## **ACCEPTANCE OF NOTES AND CONSENTS FOR PAYMENT; ACCRUAL OF INTEREST**

Upon the terms and subject to the conditions of the Offer and the Consent Solicitation (including, if the Offer and the Consent Solicitation are extended or amended, the terms and conditions of any such extension or amendment) and applicable law, we will purchase, by accepting for payment, and will pay for, all Notes validly tendered and not

validly withdrawn pursuant to the Offer on or prior to the Expiration Time. We expect that such payment will be made by the deposit with the Depository and Information Agent, or transfer in accordance with the Depository and Information Agent's instructions, of the Total Consideration or the Tender Offer Consideration, as applicable, plus any accrued and unpaid interest on the Holder's Notes up to, but excluding, the applicable payment date, in immediately available funds by the Issuers promptly following the acceptance for payment of Notes pursuant to the Offer. The Depository and Information Agent will act as agent for tendering Holders for the purpose of receiving payment from us and transmitting such payment to tendering Holders or providing instructions to us for the transmission of payment. Under no circumstances will interest on the Total Consideration or the Tender Offer Consideration, as applicable, be paid by reason of any delay on behalf of the Depository and Information Agent in making such payment. The payment made by us to the Depository and Information Agent or upon its instructions shall fully discharge our obligations to make payment in relation to the Offer and the Consent Solicitation and in no event will we be liable for interest or damages in relation to any delay or failure of payment to be remitted to any Holder.

We expressly reserve the right, in our sole discretion, to delay acceptance for purchase of, or payment for, Notes tendered under the Offer (subject to Rule 14e-1(c) under the Exchange Act, which requires that we pay the consideration offered or return the Notes deposited pursuant to the Offer promptly after termination or withdrawal of the Offer), or to terminate the Offer and not accept for purchase any Notes not previously accepted for purchase, (1) if any of the conditions to the Offer shall not have been satisfied or waived by us, or (2) in order to comply with any applicable law.

In all cases, payment for Notes purchased pursuant to the Offer will be made only after timely receipt by the Depository and Information Agent of timely confirmation of a book-entry transfer of the Notes into the Depository and Information Agent's account at DTC.

For purposes of the Offer, we will be deemed to have accepted for purchase validly tendered Notes (or defectively tendered Notes, if such defect has been waived by us) if, as and when we give verbal notice (confirmed in writing) or written notice thereof to the Depository and Information Agent. For purposes of the Consent Solicitation, Consents validly delivered to the Depository and Information Agent will be deemed to have been accepted by us if, as and when the Requisite Consents are received, and the Issuers and the Trustee execute the New Supplemental Indenture promptly after the Early Tender Deadline or the Expiration Time, provided that the Proposed Amendments will not become operative until the first date on which Notes are accepted for payment following the receipt of the Requisite Consents.

Upon the terms and subject to the conditions of the Offer, delivery by the Depository and Information Agent of:

- (i) the Total Consideration for Notes that have been validly tendered and not validly withdrawn (or, with respect to defectively tendered Notes, if we have waived such defect), along with the Consents on or prior to the Early Tender Deadline shall be made on the Early Settlement Date, together with accrued and unpaid interest from the last interest payment date to, but excluding, the Early Settlement Date; and
- (ii) the Tender Offer Consideration for Notes that have been validly tendered (or, with respect to defectively tendered Notes, if we have waived such defect), along with the Consents after the Early Tender Deadline and on or prior to the Expiration Time shall be made on the Final Settlement Date, together with accrued and unpaid interest from the last interest payment date to, but excluding, the Final Settlement Date.

Tenders of Notes and delivery of Consents pursuant to the Offer and the Consent Solicitation will be accepted only in principal amounts equal to minimum denominations of \$200,000 and integral multiples of \$1,000 in excess thereof. No alternative, conditional or contingent tenders will be accepted. Holders who tender less than all of their Notes must continue to hold Notes in at least the minimum authorized denominations set forth above. If, for any reason, acceptance for purchase of, or payment for, validly tendered Notes pursuant to the Offer is delayed or we are unable to accept for purchase, or to pay for, validly tendered Notes pursuant to the Offer, then the Depository and Information Agent may, nevertheless, on our behalf, retain tendered Notes, without prejudice to our rights described under "Expiration Time; Extension; Amendment; Termination," "Conditions of the Offer and the Consent

Solicitation” and “Withdrawal of Tenders; Revocation of Consents” (subject to Rule 14e-1(c) under the Exchange Act, which requires that an offeror pay the consideration offered or return the securities deposited by or on behalf of the Holders thereof promptly after the termination or withdrawal of a tender offer).

If any tendered Notes and Consents are not accepted for payment for any reason pursuant to the terms and conditions of the Offer, or if certificates are submitted evidencing more Notes than those which are tendered, certificates evidencing unpurchased Notes will be returned, without expense, to the tendering Holder (or, in the case of any Notes tendered by book-entry transfer into the Depositary and Information Agent’s accounts at DTC pursuant to the procedures set forth under the caption “Procedures for Tendering Notes and Delivering Consents,” such Notes will be credited to the relevant account maintained at DTC from which such Notes were delivered), promptly following the Expiration Time or the termination of the Offer.

We reserve the right to transfer or assign, in whole or in part and at any time or from time to time, to one or more of our affiliates the right to purchase all or any portion of the Notes tendered pursuant to the Offer, or to pay all or any portion of the Early Tender Payment due pursuant to the Consent Solicitation, or both. Any such transfer or assignment will not relieve the Issuers of their obligations under the Offer or the Consent Solicitation and will in no way prejudice the rights of tendering Holders to receive payment for their Notes validly tendered and not validly withdrawn and accepted for purchase pursuant to the Offer, or to receive the Early Tender Payment for Notes validly tendered and not validly withdrawn on or prior to the Early Tender Deadline.

Holders whose Notes are tendered and accepted for purchase pursuant to the Offer will be entitled to accrued and unpaid interest on their Notes to, but excluding, the Early Settlement Date or the Final Settlement Date, as applicable. **Under no circumstances will any additional interest be payable because of any delay in the transmission of funds to the Holders of purchased Notes or otherwise.**

Tendering Holders of Notes purchased in the Offer will not be obligated to pay brokerage commissions, fees or transfer taxes with respect to the purchase of their Notes unless the payment of the Total Consideration or the Tender Offer Consideration, as applicable, is being made to, or if certificates representing Notes for principal amounts not tendered or not accepted for purchase are registered or issued in the name of, any person other than the holder of Notes tendered thereby; then, in such event, the amount of any transfer taxes (whether imposed on the Holder(s) or such other person(s)) payable on account of the transfer to such person will be deducted from the Total Consideration or the Tender Offer Consideration, as the case may be, unless satisfactory evidence of the payment of such taxes or exemption therefrom is submitted. We will pay all other charges and expenses in connection with the Offer. See “The Dealer Managers, the Depositary and Information Agent” and “Miscellaneous.”

#### PROCEDURES FOR TENDERING NOTES AND DELIVERING CONSENTS

**Holders will not be eligible to receive the Total Consideration unless they BOTH tender their Notes pursuant to the Offer AND deliver their Consents in the Consent Solicitation on or prior to the Early Tender Deadline. The tender of Notes pursuant to the Offer and in accordance with the procedures described below will constitute (i) a tender of the Notes and (ii) the delivery of a Consent by such Holder with respect to such Notes. Such actions will also constitute the waiver of the Holder’s right, if any, to revoke its tender of Notes or delivery of Consents after the Early Tender Deadline. We are not soliciting and will not accept Consents from Holders who are not tendering their Notes pursuant to the Offer, and will not accept tenders of Notes from Holders who do not deliver their Consents pursuant to the Consent Solicitation. Holders who tender their Notes after the Early Tender Deadline will be eligible to receive only the Tender Offer Consideration. Notes may only be tendered, and Consents may only be delivered, in principal amounts equal to minimum denominations of \$200,000 and integral multiples of \$1,000 in excess thereof. No alternative, conditional or contingent tenders will be accepted. Holders who tender less than all of their Notes must continue to hold Notes in at least the minimum authorized denominations set forth above.**

The method of delivery of Notes and Consents, and all other required documents, including delivery through DTC and any acceptance of an Agent’s Message transmitted through ATOP, is at the election and risk of the person tendering Notes and delivering Consents, and delivery will be deemed made only when actually received by the Depositary and Information Agent. There are no guaranteed delivery provisions provided for

**by the Issuers in connection with the Offer and the Consent Solicitation. Holders must tender Notes in accordance with the procedures set forth in this “Procedures for Tendering Notes and Delivering Consents.”**

The tender by a Holder of Notes and delivery of Consents (and subsequent acceptance of such tender and delivery by us) pursuant to one of the procedures set forth below will constitute a binding agreement between such Holder and us in accordance with the terms and subject to the conditions set forth in this Offer to Purchase and Consent Solicitation Statement.

The procedures by which Notes may be tendered and Consents delivered by beneficial owners who are not registered Holders will depend upon the manner in which the Notes are held.

#### **Tender of Notes Held Through a Custodian**

Any beneficial owner whose Notes are registered in the name of a broker, dealer, commercial bank, trust company or other nominee and who wishes to tender Notes and deliver the Consents should contact such broker, dealer, commercial bank, trust company or other nominee promptly and instruct such broker, dealer, commercial bank, trust company or other nominee to tender Notes on such beneficial owner’s behalf.

#### **Tender of Notes Held Through DTC**

To effectively tender Notes that are held through DTC and deliver the Consents, DTC participants should electronically transmit their acceptance through ATOP (and thereby tender Notes) for which the Offer and the Consent Solicitation will be eligible. Upon receipt of such Holder’s acceptance through ATOP, DTC will edit and verify the acceptance and send an Agent’s Message to the Depository and Information Agent for its acceptance. Delivery of tendered Notes held through DTC must be made to the Depository and Information Agent pursuant to the book-entry delivery procedures set forth below.

Except as provided below, unless the Notes being tendered pursuant to the Offer are deposited with the Depository and Information Agent prior to the Early Tender Deadline or the Expiration Time, as applicable (accompanied by a properly transmitted Agent’s Message, and all other required documents), we may, at our option, reject such tender. Payment for the Notes will be made only against deposit of the tendered Notes and delivery of any other required documents.

#### **Book-Entry Delivery Procedures**

The Depository and Information Agent will establish accounts with respect to the Notes at DTC for purposes of the Offer and the Consent Solicitation within three business days after the date of this Offer to Purchase and Consent Solicitation Statement. Any financial institution that is a participant in DTC may make book-entry delivery of the Notes by causing DTC to transfer such Notes into the Depository and Information Agent’s account in accordance with the procedures of DTC for such transfer. There is no letter of transmittal for the Offer.

Although delivery of the Notes may be effected pursuant to the Offer through book-entry transfer into the Depository and Information Agent’s accounts at DTC, an Agent’s Message in connection with a book-entry transfer must, in any case, be transmitted to and received by the Depository and Information Agent prior to the Early Tender Deadline or the Expiration Time in connection with the tender of such Notes. Delivery of documents to DTC or to the Trustee does not constitute delivery to the Depository and Information Agent.

The term “Agent’s Message” means a message transmitted by DTC to, and received by, the Depository and Information Agent and forming a part of the book-entry confirmation, which states that DTC has received an express acknowledgment from each participant in DTC tendering the Notes and that such participants have received this Offer to Purchase and Consent Solicitation and agree to be bound by the terms of this Offer to Purchase and Consent Solicitation, and we may enforce such agreement against such participants. Prior to the Early Tender Deadline or the Expiration Time, as applicable, Holders must allow sufficient time for completion of the ATOP procedures during the normal business hours of DTC on such respective dates.

There are no guaranteed delivery procedures applicable to the Offer. Holders who intend to tender their Notes on or prior to the Early Tender Deadline or the Expiration Time, as applicable, should allow sufficient time for completion of DTC's ATOP procedures during the normal business hours of DTC on such date.

### **Other Matters**

Notwithstanding any other provision of this Offer to Purchase and Consent Solicitation Statement, payment for Notes accepted for purchase pursuant to the Offer will in all cases be made only after timely tender pursuant to any of the procedures described above. Under no circumstances will interest be paid on the Total Consideration or the Tender Offer Consideration, regardless of any delay in making such payments.

Tenders of Notes and deliveries of Consents pursuant to any of the procedures described above, and acceptance thereof by us for purchase, will constitute a binding agreement between the tendering and consenting Holder of such Notes and us, upon the terms and subject to the conditions of the Offer and the Consent Solicitation in effect on the date the Notes are accepted for purchase.

By tendering Notes through book-entry transfer through DTC as set forth above, and subject to and effective upon acceptance for purchase of, and payment for, the Notes tendered therewith, a tendering Holder:

- (i) has received and reviewed this Offer to Purchase and Consent Solicitation Statement and has made an independent investment decision in consultation with its own agents and professionals;
- (ii) has full power and authority to irrevocably tender, sell, assign and transfer to or upon the order of the Issuers all right, title, entitlement and interest in and to all the Notes tendered thereby and to deliver the related consents;
- (iii) consents to the relevant Proposed Amendments as described in this Offer to Purchase and Consent Solicitation Statement and authorizes, directs and requests the Trustee to enter into the relevant New Supplemental Indenture to give effect to, and permit, the relevant Proposed Amendments;
- (iv) waives any and all other rights with respect to the Notes (including, without limitation, the tendering Holder's waiver of any existing or past defaults and their consequences in respect of the Notes and the Indenture);
- (v) releases and discharges the Issuers and the Trustee from any and all claims such Holder may now have, or may have in the future, arising out of, or related to, the Notes, including without limitation any claims that such Holder is entitled to receive additional principal or interest payments with respect to the Notes or to participate in any subsequent purchase, redemption or defeasance of the Notes;
- (vi) declares and acknowledges that the Trustee will not be held responsible for any liabilities or consequences arising as a result of acts taken by it or pursuant to the terms of this Offer to Purchase and Consent Solicitation Statement and further declares that the Trustee has no responsibility for the terms of this Offer to Purchase and Consent Solicitation Statement;
- (vii) indemnifies and holds harmless the Trustee and any agent under the relevant Indenture from and against all losses, liabilities, damages, costs, charges and expenses which may be suffered or incurred by them as a result of any claims (whether or not successful, compromised or settled), actions, demands or proceedings brought against the Trustee and any agent under the relevant Indenture and against all losses, liabilities, damages, costs, charges and expenses (including legal fees) which the Trustee, or such agent may suffer or incur which in any case arise as a result of this Offer to Purchase and Consent Solicitation Statement, any actions taken in connection herewith, including any documents or agreements the Trustee may be asked to sign;

- (viii) delivers such Holder's Consent to the Proposed Amendments and waives any right to revoke its Consent after the Early Tender Deadline; and
- (ix) irrevocably constitutes and appoints the Depositary and Information Agent as the true and lawful agent and attorney-in-fact of such Holder with respect to any such tendered Notes, with full power of substitution and resubstitution (such power of attorney being deemed to be an irrevocable power coupled with an interest) to (a) transfer ownership of such Notes on the account books maintained by DTC with all accompanying evidences of transfer and authenticity, to the Issuers and (b) present such Notes for transfer on the relevant security register and (c) receive all benefits or otherwise exercise all rights of beneficial ownership of such Notes (except that the Depositary and Information Agent will have no rights to, or control over, funds received from the Issuers for the Total Consideration or the Tender Offer Consideration, as the case may be, and accrued and unpaid interest for any tendered Notes that are purchased by the Issuers, except to the extent that they hold such funds on behalf of the tendering and consenting Holders).

### **Determination of Validity**

All questions as to the validity, form, eligibility (including time of receipt) and acceptance for payment of any Notes and Consents tendered pursuant to any of the procedures described above and the form and validity of all documents will be determined by us, in our sole discretion, which determination shall be final and binding. We reserve the absolute right, in our sole discretion, to reject any and all tenders of any Notes and Consents determined by us not to be in proper form, or if the acceptance of, or payment for, such Notes and Consents may, in the opinion of our counsel, be unlawful. We also reserve the absolute right to waive or amend any condition to the Offer and the Consent Solicitation that we are legally permitted to waive or amend and waive any defect or irregularity in any tender with respect to Notes and Consents, whether or not similar defects or irregularities are waived in the case of other Holders.

No tender or delivery will be deemed to have been validly made until all defects or irregularities in such tender have been cured or waived. None of the Issuers, the Trustee, the Dealer Managers, the Depositary and Information Agent nor any other person will be under any duty to give notification of any defects or irregularities in any tender of any Notes or will incur any liability for failure to give any such notification.

Our interpretation of the terms and conditions of the Offer will be final and binding.

**Please send all materials to the Depositary and Information Agent and not to the Issuers, the Trustee or the Dealer Managers.**

### **WITHDRAWAL OF TENDERS; REVOCATION OF CONSENTS**

Holders who tender their Notes in the Offer must also deliver their related Consents. Notes tendered may be validly withdrawn and Consents may be validly revoked at any time on or prior to the Early Tender Deadline by following the procedures set forth below, which procedures shall be applicable in lieu of any and all other procedures for revocation set forth in the Indenture. A valid withdrawal of tendered Notes on or prior to the Early Tender Deadline shall be deemed a valid concurrent revocation of the related Consents. A valid revocation of a Consent will render a tender of the related Notes defective. Each Holder agrees by tendering Notes and delivering Consents that such Notes may not be withdrawn and Consents may not be revoked after the Early Tender Deadline and waives such Holder's right, if any, to revoke its Consent after the Early Tender Deadline. If the Offer and the Consent Solicitation is terminated after the Early Tender Deadline without any such Notes having been purchased, the Proposed Amendments will not become operative. Any Notes validly tendered and Consents validly delivered on or prior to the Early Tender Deadline that are not validly withdrawn or validly revoked on or prior to the Early Tender Deadline may not be withdrawn thereafter, except as required by law. In addition, any Notes validly tendered and Consents validly delivered after the Early Tender Deadline may not be withdrawn or revoked, except as required by law.

***Tendered Notes may be withdrawn at any time on or prior to the Early Tender Deadline.*** In addition, tendered Notes may be withdrawn after the 60<sup>th</sup> business day after commencement of the Offer if for any reason the Offer has not been consummated within 60 business days after commencement. In the event of a termination of the Offer, such Notes will be credited to the relevant account maintained at DTC from which such Notes were delivered. In addition, subject to applicable law, we may, if we deem appropriate, extend the Early Tender Deadline or the Expiration Time for any reason. If we make a material change in the terms of, or the information concerning, or if we waive a material condition of, the Offer or the Consent Solicitation, we will disseminate additional offer materials and extend the Offer and the Consent Solicitation to the extent required by law. If the consideration to be paid in the Offer and the Consent Solicitation is increased or decreased or the principal amount of Notes subject to the Offer and the Consent Solicitation is decreased, the Offer and the Consent Solicitation will remain open at least 10 business days from the date we first give notice to Holders, by public announcement or otherwise, of such increase or decrease. In addition, subject to applicable law, we may, if we deem appropriate, extend the Offer and the Consent Solicitation for any other reason.

For a withdrawal of Notes tendered through DTC on or prior to the Early Tender Deadline to be effective, a properly transmitted "Request Message" through ATOP or a notice of withdrawal must be delivered on or prior to the Early Tender Deadline. If Notes have been delivered under the procedures for book-entry transfer, any notice of withdrawal must specify the name and number of the account of the appropriate book-entry transfer facility to be credited with the withdrawn Notes and must otherwise comply with that book-entry transfer facility's procedures.

Any Notes and Consents validly withdrawn will be deemed to be not validly tendered or delivered for purposes of the Offer and the Consent Solicitation.

Any permitted withdrawal of Notes may not be rescinded, and any Notes and Consents validly withdrawn will thereafter be deemed not validly tendered or delivered for purposes of the Offer and the Consent Solicitation; provided, however, that validly withdrawn Notes may be re-tendered by again following one of the appropriate procedures described herein at any time on or prior to the Expiration Time.

Subject to applicable laws, if, for any reason whatsoever, acceptance for purchase of, or payment for, any Notes validly tendered or Consents validly delivered pursuant to the Offer is delayed (whether before or after our acceptance for payment), or we extend the Offer and the Consent Solicitation or are unable to accept for purchase or pay for the Notes validly tendered or Consents validly delivered pursuant to the Offer and the Consent Solicitation, then, without prejudice to our rights set forth herein, we may instruct the Depository and Information Agent to retain such tendered Notes, and those Notes may not be withdrawn, subject to Rule 14e-1(c) under the Exchange Act, which requires that we pay the consideration offered or return the Notes deposited by or on behalf of the Holders promptly after the termination or withdrawal of the Offer, as applicable.

None of the Issuers, the Dealer Managers, the Depository and Information Agent, the Trustee nor any other person will be under any duty to give notification of any defects or irregularities in any notice of withdrawal of tenders or revocation of Consents, or incur any liability for failure to give any such notification. We will have the right to decide whether a tender or withdrawal was made validly and our decision will be final.

#### **CONDITIONS OF THE OFFER AND THE CONSENT SOLICITATION**

Notwithstanding any other provisions of this Offer to Purchase and Consent Solicitation Statement, we will not be required to accept for purchase or to pay for Notes validly tendered and not validly withdrawn pursuant to the Offer or Consents validly delivered and not validly revoked pursuant to the Consent Solicitation, and may terminate, amend or extend the Offer and the Consent Solicitation or delay or refrain from accepting for purchase, or paying for, the Notes and the Consents, if any of the following shall not have occurred (or shall not have been waived by us):

- (1) our successful completion of the New Notes Offering that will satisfy the Financing Condition; and
- (2) satisfaction of the General Conditions.

The “General Conditions” listed below with respect to the Offer will be deemed to be satisfied unless we determine, in our reasonable judgment, that any of the events listed below has occurred and that, regardless of the circumstances giving rise to the event (other than any action or inaction by us), such event makes it inadvisable to proceed with the Offer or with acceptance for payment of any Notes tendered in the Offer:

- (a) we shall have determined that the acceptance for payment of, or payment for, some or all of the Notes and Consents pursuant to the Offer and the Consent Solicitation would violate, conflict with or constitute a breach of or default under any order, statute, law, rule, regulation, executive order, decree or judgment of any court, or the terms of any contract or agreement, to which we may be bound or subject;
- (b) there shall have occurred any attack on or incidences of terrorism involving the United States, any outbreak or escalation of hostilities directly or indirectly involving the United States, any military action or commencement or declaration of war by or directly or indirectly involving the United States, the declaration of a national emergency or any other calamity, emergency, pandemic or crisis directly or indirectly involving the United States, or any outbreak, escalation or worsening of the foregoing, any material adverse change in economic conditions in or the financial markets of the United States or elsewhere or any change or development involving a prospective change in national or international political, financial or economic conditions;
- (c) there shall have occurred (1) any general suspension of trading in, or limitation on prices for, securities on the New York Stock Exchange or The Nasdaq Stock Market LLC or in the over-the-counter market, (2) a declaration of a banking moratorium or any suspension of payments in respect of banks in the United States, (3) a material change in U.S. currency exchange rates or a general suspension of or material limitation on the markets therefor, (4) any limitation (whether or not mandatory) by any federal or state authority on, or any other event which might materially affect, the extension of credit by banks or other financial institutions, or (5) in the case of any of the foregoing existing at the date hereof, a material acceleration or worsening thereof;
- (d) there shall have been any decrease of more than 10% in the Dow Jones Industrial Average, New York Stock Exchange Index, Nasdaq Composite Index or the Standard and Poor’s 500 Composite Index measured from the close of trading on September 6, 2024, any significant adverse change in the price of the Notes, a material impairment in the trading market for debt securities, any significant increase in the interest rate, distribution rate or other significant change in the terms for debt security offerings in the United States, or any changes in the general political, market, economic or financial conditions in the United States or abroad that could have, in the Issuers’ reasonable judgment, a material adverse effect on the Issuers’ business, condition (financial or otherwise), assets, income, operations or prospects, taken as a whole, or on the trading in the Notes, or the New Notes, or on the benefits of the Offer to us, in the case of any of the foregoing existing at the time of commencement of the Offer, or in the Issuers’ reasonable judgment, a material acceleration or worsening thereof;
- (e) there shall have been instituted or be pending before any court, agency, authority or other tribunal any action, suit or proceeding by any government or governmental, regulatory or administrative agency or authority or by any other person, domestic or foreign, or any judgment, order or injunction entered, enforced or deemed applicable by any such court, authority, agency or tribunal, which (1) challenges or seeks to make illegal, or to delay or otherwise directly or indirectly to restrain, prohibit or otherwise adversely affect the making of the Offer and the Consent Solicitation or the acquisition of Notes pursuant to the Offer or is otherwise related in any material manner to, or otherwise affects, the Offer or (2) could, in our judgment, materially affect the business, condition (financial or other), assets, income, operations or prospects of us and our subsidiaries, taken as a whole, or otherwise materially impair in any way the contemplated future conduct of the business of us and our subsidiaries, taken as a whole, or materially impair the contemplated benefits to us of the Offer and the Consent Solicitation;
- (f) there shall have been any action threatened or taken, or any approval withheld, or any statute, rule or regulation invoked, proposed, sought, promulgated, enacted, entered, amended, enforced or deemed to be applicable to the Offer and the Consent Solicitation or us or any of our subsidiaries, by any government or governmental, regulatory or administrative authority or

agency or tribunal, domestic or foreign, which, in our judgment, would or might, directly or indirectly, result in any of the consequences referred to in clause (1) or (2) of paragraph (d) above;

- (g) the Trustee shall have objected in any respect to or taken any action that could, in our reasonable judgment, adversely affect the consummation of the Offer or the Consent Solicitation or our ability to effect the Proposed Amendments or shall have taken any action that challenges the validity or effectiveness of the procedures used in soliciting the Consents (including the form thereof) or in the making of the Offer or the Consent Solicitation or the acceptance of, or payment for, the Notes or the Consents; and
- (h) there shall be any change or changes that have occurred or are threatened in the business, condition (financial or other), assets, income, operations, prospects, policies, or debt or stock ownership of us or our subsidiaries that, in our judgment, is or could be material to us or our subsidiaries or otherwise make it inadvisable to proceed with the Offer and the Consent Solicitation.

The foregoing conditions are for our benefit, and the failure of any such condition to be satisfied may be asserted by us regardless of the circumstances, including any action or inaction by us, giving rise to any such failure, and any such failure may be waived by us in whole or in part at any time and from time to time in our sole discretion.

If any of such conditions shall not have been satisfied, subject to the termination rights as described above and applicable law, we may (1) return Notes tendered pursuant to the Offer to the Holders who tendered them, (2) extend the Offer and the Consent Solicitation and retain all Notes tendered thereunder until the expiration thereof, or (3) amend the Offer and the Consent Solicitation in any respect by giving written notice of such amendment to the Depositary and Information Agent and as otherwise required by applicable law. If we make a material change in the terms of or the information concerning, or waive a material condition of, the Offer and the Consent Solicitation, we will, to the extent required by law, disseminate additional materials and/or extend the Offer and the Consent Solicitation. In addition, subject to applicable law, we may, if we deem appropriate, extend the Offer and the Consent Solicitation for any other reason. We also reserve the right at any time to waive satisfaction of any or all conditions to the Offer and the Consent Solicitation. Our failure at any time to exercise any of the foregoing rights will not be deemed a waiver of any other right, and each right will be deemed an ongoing right which may be asserted at any time and from time to time. See “Expiration Time; Extension; Amendment; Termination.”

## **CERTAIN U.S. FEDERAL INCOME TAX CONSIDERATIONS**

### **General**

The following is a summary of certain U.S. federal income tax consequences of the Offer that may be relevant to a beneficial owner of Notes that is a citizen or resident of the United States or a U.S. domestic corporation or that otherwise is subject to U.S. federal income tax on a net income basis in respect of the Notes (a “U.S. Holder”), or to a beneficial owner of Notes that is an individual, corporation, foreign estate, or foreign trust that is not a U.S. Holder (a “Non-U.S. Holder”). The summary is based on laws, regulations, rulings and decisions now in effect, all of which are subject to change. The discussion does not deal with special classes of beneficial owners of Notes (“Holders”), such as dealers in securities or currencies, banks, financial institutions, insurance companies, tax-exempt organizations, entities classified as partnerships and the partners therein, nonresident alien individuals present in the United States for 183 days or more during the taxable year, persons holding Notes as a position in a “straddle” or conversion transaction, or as part of a “synthetic security” or other integrated financial transaction or persons that have a functional currency other than the U.S. dollar. This discussion assumes that the Notes are held as “capital assets” within the meaning of Section 1221 of the Internal Revenue Code of 1986, as amended (the “Code”). The discussion does not address the alternative minimum taxes, the Medicare tax on net investment income or other aspects of U.S. federal income or state and local taxation that may be relevant to a Holder in light of the Holder’s particular circumstances. Furthermore, this discussion does not address all of the U.S. federal income tax considerations that may be relevant to a tendering Holder of Notes that purchases New Notes in the New Notes Offering and such Holders should consult their own tax advisors regarding the U.S. federal income tax consequences to them of the repurchase of their Notes pursuant to the Offer and the acquisition of the New Notes pursuant to the New Notes Offering.

### **Tendering U.S. Holders**

Sales of Notes pursuant to the Offer by U.S. Holders will be taxable transactions for U.S. federal income tax purposes. Subject to the discussion of the market discount rules set forth below, a U.S. Holder selling Notes pursuant to the Offer will recognize capital gain or loss in an amount equal to the difference between the amount of cash received (including the Early Tender Payment, but not including amounts received attributable to accrued interest, which will be taxed as such) and the U.S. Holder’s adjusted tax basis in the Notes sold at the time of sale. A U.S. Holder’s adjusted tax basis in a Note generally will equal the amount paid therefor, increased by the amount of any market discount previously taken into account by the U.S. Holder and reduced by the amount of any amortizable bond premium previously amortized by the U.S. Holder with respect to the Note. Any gain or loss will be long-term capital gain or loss if the U.S. Holder’s holding period for the Notes on the date of sale was more than one year.

In general, if a U.S. Holder acquired the Notes with market discount, any gain realized by a U.S. Holder on the sale of the Notes will be treated as ordinary income to the extent of the portion of the market discount that has accrued while the Notes were held by the U.S. Holder, unless the U.S. Holder has elected to include market discount in income currently as it accrues.

A U.S. Holder who does not tender its Notes pursuant to the Offer should not recognize any gain or loss for U.S. federal income tax purposes.

### **Tendering Non-U.S. Holders**

Subject to the discussions below under “—FATCA Withholding” and “—Information Reporting and Backup Withholding,” a Non-U.S. Holder will not be subject to U.S. federal income or withholding tax on the proceeds from the Offer, including amounts treated as accrued interest, provided that the Non-U.S. Holder (a) does not actually or constructively own 10% or more of the total combined voting power of our equity interests entitled to vote or 10% or more of our capital or profits and is not a controlled foreign corporation that is related to us through stock ownership, and (b) has provided a properly completed U.S. Internal Revenue Service (“IRS”) Form W-8BEN or W-8BEN-E or other IRS Form W-8, signed under penalties of perjury, establishing its status as a Non-U.S. Holder (or satisfies certain documentary evidence requirements for establishing that it is a Non-U.S. Holder) and satisfying applicable requirements under rules dealing with foreign account tax compliance. IRS forms may be obtained at the IRS website at [www.irs.gov](http://www.irs.gov). If you provide an incorrect Taxpayer Identification Number, you may be subject to penalties imposed by the IRS.

## **Non-Tendering Holders**

If the Proposed Amendments do not become operative, a Holder that does not tender its Notes pursuant to the Offer will not recognize any gain or loss, and will have the same adjusted tax basis, holding period and accrued market discount (if any) with respect to the non-tendered Notes.

If the Proposed Amendments become operative, the tax treatment of a non-tendering U.S. Holder will depend upon whether the modification of the Notes results in a “deemed” exchange for U.S. federal income tax purposes. Under general principles of federal income tax law, the modification of a debt instrument creates a deemed exchange upon which gain or loss is realized if the modified debt instrument differs materially either in kind or in extent from the original debt instrument (a “significant modification”). A modification of a debt instrument that is not a significant modification does not create a deemed exchange. Under applicable regulations, the modification of a debt instrument is a significant modification if, based on all the facts and circumstances and taking into account all modifications of the debt instrument collectively (other than modifications that are subject to special rules), the legal rights or obligations that are altered and the degree to which they are altered are “economically significant.”

Although the issue is not free from doubt, we intend to take the position that the adoption of the Proposed Amendments by itself should not constitute a “significant modification” of the terms of the Notes and therefore should not result in a deemed exchange of the Notes for U.S. federal income tax purposes. Under the current indenture we have the right to effect a Satisfaction and Discharge of the Notes. If the Proposed Amendments become effective, then we will have the same right, but it can be exercised more than one year prior to the maturity date of the Notes. While we know of no controlling or analogous legal authority regarding the Proposed Amendments, our position is that this change does not by itself alter an investor’s rights in a manner that is economically significant and thus should not constitute a significant modification of the Notes. Accordingly, a Holder should not recognize any gain or loss, for U.S. federal income tax purposes, upon the adoption of the Proposed Amendments, regardless of whether the Holder consents to the Proposed Amendments, and should have the same adjusted tax basis and holding period in the Notes after the adoption of the Proposed Amendments that the Holder had in the Notes immediately before the adoption.

If the Satisfaction and Discharge of the Notes is consummated, it should be treated for U.S. federal income tax purposes as a deemed disposition of the Notes by a Holder in exchange for “new” notes. As a result of this deemed disposition, a U.S. Holder would be required to recognize gain or loss (which may be disallowed under the wash sale rules) for U.S. federal income tax purposes equal to the difference, if any, between the issue price of the new notes (as determined for U.S. federal income tax purposes) and the U.S. Holder’s adjusted tax basis in the Notes, and the new notes may be treated as issued with original issue discount. A Non-U.S. Holder would be treated as described above under “—Tendering Non-U.S. Holders”. Holders should consult their tax advisers concerning the U.S. federal income tax consequences to them of a Satisfaction and Discharge with respect to the Notes.

## **Information Reporting and Backup Withholding**

Information returns will be filed with the IRS in connection with the proceeds of dispositions of Notes effected by certain U.S. Holder who tender their Notes. In addition, a U.S. Holder may be subject to backup withholding unless the U.S. Holder (i) is a corporation or comes within certain other exempt categories and demonstrates this fact, or (ii) provides a correct taxpayer identification number, certifies as to no loss of exemption from backup withholding and otherwise complies with applicable requirements of the backup withholding rules. Non-U.S. Holders may be required to comply with applicable certification procedures to establish that they are not United States persons (as defined in the Code) in order to avoid the application of such information reporting requirements and backup withholding. Backup withholding is not an additional tax. The amount of any backup withholding from the Offer will be allowed as a credit against the U.S. Holder’s federal income tax liability and may entitle the U.S. Holder to a refund, provided that the required information is timely furnished to the IRS.

## **FATCA Withholding**

Sections 1471 to 1474 of the Code and U.S. Treasury regulations thereunder (provisions commonly referred to as “FATCA”) impose a U.S. federal withholding tax of 30% on interest payments on obligations that produce U.S. source interest to “foreign financial institutions” and certain other non-U.S. entities that fail to comply with specified

certification and information reporting requirements (usually by providing an IRS Form W-8BEN or IRS Form W-8BEN-E). While withholding under FATCA would have applied also to payments of gross proceeds from the sale or other disposition of a note on or after January 1, 2019, proposed U.S. Treasury regulations eliminate FATCA withholding on payments of gross proceeds entirely and taxpayers generally may rely on these proposed U.S. Treasury regulations until final U.S. Treasury regulations are issued. These requirements may also be modified by the adoption or implementation of an intergovernmental agreement between the United States and another country or by future U.S. Treasury regulations. Documentation that Holders provide in order to be treated as FATCA compliant may be reported to the IRS and other tax authorities, including information about a Holder's identity, its FATCA status, and if applicable, its direct and indirect U.S. owners. Because the Notes produce U.S. source interest, payments of accrued interest to such foreign entities could become subject to withholding tax under FATCA. In the event any withholding under FATCA is imposed with respect to the Offer, we will not be under any obligation to compensate for the withheld amount.

THE DISCUSSION SET FORTH ABOVE IS INCLUDED FOR GENERAL INFORMATION PURPOSES ONLY. ALL HOLDERS SHOULD CONSULT THEIR TAX ADVISORS TO DETERMINE THE U.S. FEDERAL, STATE AND LOCAL AND FOREIGN TAX CONSEQUENCES TO THEM OF THE OFFERS, CONSENT SOLICITATIONS AND PROPOSED AMENDMENTS.

**ANNEX A**  
**FORMULA TO CALCULATE TOTAL CONSIDERATION FOR THE NOTES**

YLD	=	The applicable Tender Offer Yield for the Notes being priced (expressed as a decimal number). The applicable Tender Offer Yield is the sum of the applicable Reference Yield (as defined in this Offer to Purchase) and the applicable Fixed Spread (as set forth on the front cover of this Offer to Purchase and Consent Solicitation Statement).
CF <sub>i</sub>	=	The aggregate amount of cash per \$1,000 principal amount scheduled to be paid on the Notes being priced on the “i <sup>th</sup> ” out of the N remaining cash payment dates for such Notes, which assumes that each such series of Notes is redeemed on the maturity date, as the case may be. Scheduled payments of cash include interest and, on the maturity date, as the case may be, interest and principal.
CPN	=	The contractual annual rate of interest payable on a Note expressed as a decimal number.
N	=	The number of remaining cash payment dates for the Notes being priced from but excluding the applicable Settlement Date to and including the maturity date, as the case may be.
S	=	The number of days from and including the semi-annual interest payment date immediately preceding the applicable Settlement Date up to, but excluding, such applicable Settlement Date. The number of days is computed using the 30/360 day-count method.
/	=	Divide. The term immediately to the left of the division symbol is divided by the term immediately to the right of the division symbol before any addition or subtraction operations are performed.
exp	=	Exponentiate. The term to the left of the exponentiation symbol is raised to the power indicated by the term to the right of the exponentiation symbol.
D <sub>i</sub>	=	The number of days from and including the applicable Settlement Date to but excluding the “i <sup>th</sup> ” out of the N remaining cash payment dates for the Notes being priced. The number of days is computed using the 30/360 day count method in accordance with market convention.
$\sum_{i=1}^N$	=	Summate. The term to the right of the summation symbol is separately calculated “N” times (substituting for “i” in that term each whole number between 1 and N, inclusive of N), and the separate calculations are then added together.
Accrued Interest	=	$\$1,000(CPN/2)(S/180)$ .
Total Consideration	=	The price per \$1,000 principal amount of the Notes being priced (excluding Accrued Interest). A Holder of Notes who tenders such Notes at or prior to the Early Tender Date will receive a total amount per \$1,000 principal amount (rounded to the nearest cent) equal to the Total Consideration plus Accrued Interest.
Early Tender Payment	=	The amount per \$1,000 principal amount of the Notes being priced, as set forth on the front cover of this Offer to Purchase and Consent Solicitation Statement, that is included in the Total Consideration.
Tender Offer Consideration	=	Total Consideration minus the Early Tender Payment.
Total Consideration	=	$\sum_{i=1}^N \left[ \frac{CF_i}{(1 + YLD/2) \exp(D_i/180)} \right] - \text{Accrued Interest}$

For the avoidance of doubt, if the Total Consideration determined is less than \$1,000 per \$1,000 principal amount of Notes, then the Total Consideration will be calculated to the stated maturity date and not to the par call date for the Notes.
