LONDON, Nov. 18, 2024 /PRNewswire/ -- On November 12, 2024, HSBC Holdings plc (the '**Company**', '**we**' or '**us**') launched two separate offers to purchase for cash any and all of the outstanding notes listed in the table below. We refer to the outstanding notes listed in the table below collectively as the '**Notes**' and separately as a '**series**' of Notes. We refer to each offer to purchase a series of Notes as an '**Offer**', and collectively as the '**Offers**'.

The Offers are made upon the terms and are subject to the conditions set forth in the Offer to Purchase dated November 12, 2024, relating to the Notes (the '**Offer to Purchase**') and the related notice of guaranteed delivery (together with the Offer to Purchase, the '**Offer Documents**'), including the New Issue Condition (as defined below). The Offer Documents are available at the following link: <https://www.gbhc-usa.com/hsbc/>.

The Company today announces that on the terms and subject to the conditions in the Offer to Purchase, set forth in the table below is the '**Consideration**' for the 2026 Notes, as calculated at 11:00 a.m. (New York City time) on the date hereof (the '**Price Determination Date**') in accordance with the Offer to Purchase. The Consideration for the 2025 Notes is equal to the '**Fixed Price**' specified in the Offer Documents and set forth in the table below. References to '\$' are to U.S. dollars.

(1) Per \$1,000 principal amount.

Each Offer will expire at 5:00 p.m. (New York City time) today, unless extended or earlier terminated by the Company in its sole discretion (such date and time with respect to an Offer, as the same may be extended, the '**Expiration Time**'). Notes tendered for purchase may be validly withdrawn at any time at or prior to 5:00 p.m. (New York City time) today (such date and time with respect to an Offer, as the same may be extended, the '**Withdrawal Date**'), but not thereafter, unless extended or earlier terminated with respect to an Offer by the Company in its sole discretion. We expect the settlement date to occur on November 21, 2024, unless extended or earlier terminated in respect of an Offer by the Company in its sole discretion (such date and time with respect to an Offer, as the same may be extended, the '**Settlement Date**').

Each Offer is independent of the other Offer, and we may terminate, modify or waive the conditions of either Offer without terminating, modifying or waiving the conditions of the other Offer.

Upon the terms and subject to the conditions set forth in the Offer Documents, holders who (i) validly tender Notes at or prior to the Expiration Time or (ii) validly tender Notes at or prior to 5:00 p.m. (New York City time) on November 20, 2024 (such date and time with respect to an Offer, as the same may be extended, the '**Guaranteed Delivery Date**') pursuant to the Guaranteed Delivery Procedures (as defined in the Offer to Purchase), and whose Notes (i) have not been validly withdrawn at or prior to the Withdrawal Date and (ii) are accepted for purchase by us, will receive the Consideration specified in the table above for each \$1,000 principal amount of such Notes, which will be payable in cash on the Settlement Date as described below (the '**Consideration**').

The Consideration for each \$1,000 principal amount of the 2026 Notes validly tendered and accepted by us pursuant to the Offer with respect to the 2026 Notes has been determined in accordance with the formula set forth in the Offer to Purchase and with standard market practice, using the '**Offer Yield**',

which is equal to the sum of:

- a) the '**Reference Yield**' specified in the table above that corresponds to the bid-side yield of the Reference Security specified in the table above for the 2026 Notes on the Bloomberg Reference Page PX1, plus
- b) the Fixed Spread specified in the table above.

Accordingly, the Consideration payable by us for each \$1,000 principal amount of the 2026 Notes accepted by us is equal to:

- (i) the present value on the Settlement Date of \$1,000 principal amount of the 2026 Notes due on the maturity date (as specified in the table above) of the 2026 Notes and all scheduled interest payments on such \$1,000 principal amount of the 2026 Notes to be made from (but excluding) the Settlement Date up to and including such maturity date, discounted to the Settlement Date at a discount rate equal to the Offer Yield, minus
- (ii) the Accrued Interest per \$1,000 principal amount of the 2026 Notes;

such total amount being rounded to the nearest cent per \$1,000 principal amount of the 2026 Notes, and the above calculation has been made in accordance with standard market practice as described by the formula set forth in the Offer to Purchase.

In addition to the Consideration, holders whose Notes of a given series are accepted for purchase will also be paid a cash amount equal to accrued and unpaid interest on such Notes from, and including, the last interest payment date for such Notes to, but not including, the Settlement Date, rounded to the nearest cent (such amount in respect of a series of Notes, '**Accrued Interest**'). Accrued Interest will be payable on the Settlement Date. For the avoidance of doubt, interest will cease to accrue on the Settlement Date for all Notes accepted in the Offers. Under no circumstances will any interest be payable to holders because of any delay on the part of Global Bondholder Services Corporation, as depository, The Depository Trust Company ('**DTC**') or any other party in the transmission of funds to holders.

The Offers are subject to the terms and conditions described in the Offer Documents. In particular, the Company's obligation to complete the Offers is conditioned on the successful completion, on terms and conditions satisfactory to us in our sole discretion, of the Proposed Issuance (as defined in the Offer to Purchase) (the '**New Issue Condition**').

The Company reserves the right to amend or waive any of the conditions of the Offers, in whole or in part, at any time or from time to time, in its sole discretion, subject to applicable law. If any of the conditions are not satisfied at the Expiration Time with respect to an Offer, the Company may, in its sole discretion and without giving any notice, subject to applicable law, (a) terminate such Offer, (b) extend such Offer, on the same or amended terms, and thereby delay acceptance of any validly tendered Notes, or (c) continue to accept tenders.

Holders of Notes are advised to read carefully the Offer to Purchase, including the 'Risk Factors' section, for full details of and information on the procedures for participating in the Offers.

The Company has retained HSBC Bank plc as Dealer Manager for the Offers (the '**Dealer Manager**'). Questions and requests for assistance related to the Offers may be directed to the Dealer Manager at UK: +44 (0)20 7992 6237, US: +1 (212) 525-5552 (Collect) or +1 (888) HSBC-4LM (Toll Free), or by email at liability.management@hsbcib.com.

You may also contact your broker, dealer, custodian bank, trust company or other nominee for assistance concerning the Offers.

If the Company terminates an Offer, all Notes tendered pursuant to such Offer will be returned promptly to the tendering holders thereof.

Holders of Notes are advised to check with any bank, securities broker or other intermediary through which they hold Notes as to when such intermediary would need to receive instructions from a beneficial owner in order for that beneficial owner to be able to participate in, or withdraw their instruction to participate in, an Offer before the deadlines specified herein and in the Offer to Purchase. The deadlines set by any such intermediary and DTC for the submission and withdrawal of tender instructions will also be earlier than the relevant deadlines specified herein and in the Offer to Purchase.
